North Scott Rotary Serves

What better time to learn about the Interact Club at North Scott Junior High School than this week? It's World Interact Week, celebrating almost half a million young people ages 12-18 throughout the world who are Interact members helping to make this a better world. The Interact Club at NSJH has been growing consistently over the past few years. We started out with 10 members at the beginning of the school year and have doubled that number for the second quarter. You will meet them at the Nov. 8 meeting. So far this year, the club has raised money through a Hat Day at school to fund treat bags for the residents at Grand Haven Retirement Community. The students will be there on Nov. 13 to hand out the bags and play bingo. The club also is raising funds through sales of candy bars to fund a project for God's Mercy Orphanage Centre in Uganda. You may remember last year the Interact Club raised funds to buy a television for the orphanage and school for the children to view educational videos. This year, the club is looking to buy sports equipment and school supplies. Director Robbinah Hakizayran also said she would like to get uniform T-shirts with the school's logo on them to help build pride in the children for their school. In addition, the students participate in leadership activities led by Mrs. Ann Green from Iowa State Extension. The activities help build teamwork and communication skills. Eugene Kreiter is the faculty sponsor and Jan Touney is the North Scott Rotary representative. The club meets on Fridays from 7:50-8:15 a.m. Yes, it's just a short meeting, but we get a lot done!

This Friday at the Steeplegate

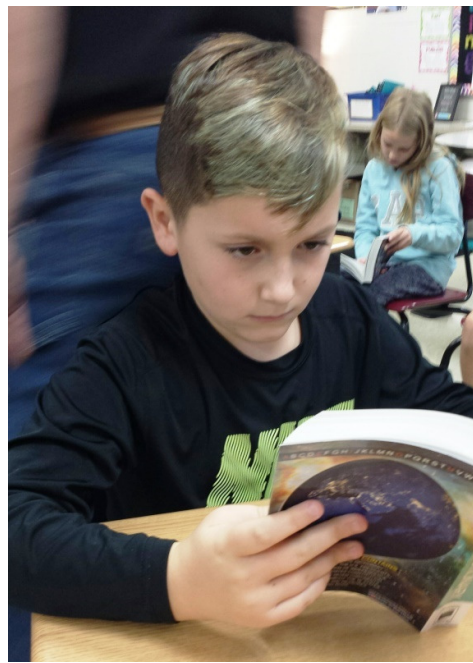

Joey Donia KWQC Sports Director

Joey has been a Sports Anchor/Reporter since 2008. He came to KWQC in 2014, and loves calling the Quad Cities home. Joey is a proud graduate of Drake University and previously worked at WOITV in Des Moines as a Sports Anchor/Reporter. Joey's first on air break took him to Albany, Georgia at WALB-TV.

Joey has won numerous awards throughout his career, and he is passionate about telling stories that can move viewers to incredible emotion. Stories that can make us cry, and stories that can make us laugh are Joey's favorite to tell.

Joey wanted to be a sportscaster from a very young age, and he is so thankful to his colleagues and mentors who help make living his dream possible. Most of all, Joey is thankful for his wonderful family and friends.

Admiral Joe Sestak was the highest-ranking military officer ever elected to Congress as of 2006. He was the Director for Defense Policy for President Bill Clinton. He was also the first director of the Navy's anti-terror unit after 9/11. Part of his plan, if elected, is to provide high quality affordable healthcare for all and give our children a 21st century education.

Earlier in the campaign, Joe spent 3 weeks in the Ecolodge in Des Moines, meeting the people of the Des Moines area. He has walked across the state of New Hampshire talking to various groups of voters, including the coal miners. Joe's daughter was diagnosed with a brain tumor at a very young age. After he retired from the Navy and multiple trips to area hospitals, she was cured.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
