Zero degrees: 64 attend Rotary

By Bill Tubbs/Volunteer Editor

Jan. 12, 2024: It was zero degrees outside with lots of snow but 64 came to Rotary for fellowship and to hear University of Iowa president Dr. Barbara Wilson. To mix things up, table seating was decided with members drawing numbers from a bucket – a project of the membership committee. Vice president **Deanna Jensen-Valliere** presided because president **Tracy Lindaman** was welcoming her first grandchild, **Penelope Jean**, the daughter of **Shelby** and **Matt Westra**, 8 pounds, 1 ounce, and 20.5 inches long, in South Dakota. In his invocation, **John Maxwell** lifted up our member, **Carolyn Scheibe** and her battle for good health with cancer. *We're pulling for you and wishing for the best, Carolyn!*

New member Carmen Galvin (second from left) with (l-r): vice president Deanna Jensen-Valliere, her sponsor, Rev. Richard Pokora, and past president Pat Olsen.

University reaches all corners of Iowa

NOTES, *continued*

Sergeant-at-Arms Sara Tomasson raised \$82 with fun fines, including Scott Webster, "nice to see you!" and Danielle Hines, "nice tan."

Program

Chris Cournoyer introduced **Dr. Barbara Wilson**, president of the University of Iowa. "Wonderful things are going on at the University of Iowa," she said. Thanks to **Jan Touney** for speaker notes.

By Jan Touney

University of Iowa President Dr. Barbara J. Wilson packed a wide-ranging overview of programs and achievements at the Iowa City campus in a 30-minute presentation to North Scott Rotarians on Friday, Jan. 19.

From enrollment and health care to UI programs that are listed as No. 1 in the country, Wilson told Rotarians that the university reaches out to touch all corners of the state, even as its student population in the Class of 2027 represents 94 Iowa counties, 45 states/territories and 44 countries.

"Thanks for caring about the university," she said. "And thanks for sending your students and your neighbors and your friends to the University of Iowa."

Before launching into a review of programs, she noted with a smile that she is the 22nd president of the University of Iowa, a number that just happens to coincide with the Hawkeyes basketball phenom who wears 22 on her jersey. President Wilson quoted **Caitlin Clark's** comment about the coincidence, "It's fate!"

The fall class of 5,064 new undergrads was the fourth-largest incoming class in the university's history, she said, contributing to an overall enrollment of just over 30,000 students.

"We're about the same size as Iowa State," she said. "We're not competing with them on size; we're working together to manage what the state needs in terms of higher education."

Over the next five years, the university has set an enrollment target of about 33,000.

She said she hoped Rotarians would come away from her presentation knowing that the University of Iowa has achieved **top rankings** by U.S. News & World Report for:

Dr. Wilson (r) with Connie Connolly, wife of Chris Connolly, and Joe Stutting.
Photos by Editor

The No. 1 public undergraduate **nursing** program.

The No. 1 public university for **writing** in the disciplines. "What we tell students is that no matter what you study, we're going to make sure you come out of Iowa with strong communication and writing skills."

She said she is proud of the fact that the university attracts a lot of first-generation students. A **First-Generation Hawks Program** provides peer mentoring, academic coaching and opportunity for on-campus employment, all steps to help boost the retention rate for these students. "The retention rate for first-generation students is 80 percent; we lose 20 percent if we don't intervene somehow," she said.

Other issues Wilson addressed:

Student debt. Fifty percent of undergraduates leave the university with zero debt. "It's not because they're wealthy," she said, but because of financial aid packages. The other 50 percent graduate with an average debt of \$28,000. She would like to get the debt load down to \$20,000 and a new university fund-raising campaign is addressing aid to students.

Within six months of graduation, 95 percent of graduates are employed or continuing their education. And these are jobs related to their career, she said, "not Starbucks." The University of Iowa Health Care System, she said, is constantly increasing the number of beds at its flagship hospitals.

NOTES, *continued*

PROGRAM

Wilson: Presidents are 'very involved' in NCAA

NOTES, continued from page 4

"We believe one of our most important missions is to serve the state of Iowa," she said. "A big part of that is through **health care.**"

The university is planning, in Fiscal Year 2025, to request funds to continue to invest in the health of rural Iowans through expanding the health care workforce and the delivery of health care. Particular areas of concern to be addressed are **mental health, maternal health and primary care, and substance use.**

A first-ever Mental Health Training Fellowship for educators through the Scanlan Center for School Mental Health has reached to the **North Scott School District**, with two staff members each at North Scott High School and Edward White Elementary participating. The training includes mental health literacy, relationship building, suicide screening and crisis response. She credited **Gov. Kim Reynolds** for her early support for the program.

In response to a Rotarian's question about what keeps her awake at night, Wilson responded, "If I worry about anything, it is the students' health and well-being."

"We're a very safe campus But at any one time, I don't know what they're doing," she said. "They're emerging adults and they're growing up on our watch."

"On the positive side, I think students are more interested in leadership and making an impact on the world" than when she was a student. "It's our job to make sure we help them do that."

* * *

Answering a question from **Pat Olsen** as to how involved presidents are in changes of the NCAA, President Wilson said, "We are very involved behind the scenes." It's the presidents who hire the Big Ten commissioner. Presidents talk frequently and meet at the Big Ten office twice a year.

Issues affecting sports have changed quickly, the president said. Yesterday, for example, there was a hearing in Washington, D.C., about the new **Name, Image, Likeness** policies which allow athletes to receive compensation. She said the growth of the Big Ten, though not compact geographically, "gives us more latitude and power in decisions."

"To a person, we are very committed to the student athlete."

PERSONALS

Welcome!

President Tracy Lindaman went to South Dakota early to beat the winter storm, and to welcome hers and Matt's first grandchild, Penelope Jean, born Jan. 18 to their daughter, Shelby and Matt Westra. She was born 8 pounds, 1 ounce, and 20.5 inches. Poet Carl Sandburg wrote, "A baby is God's opinion that life should go on." Thanks to Rotary, she will grow up in a world that is polio-free. Welcome, Penelope Jean!

John and Maureen Hall

In a Christmas letter, the editor learned that our former member from 1981-93, John Hall, the AirGas manager who moved to Penfield, NY, and served Rotary as District Governor in 2007-08, suffered a life-changing event, a stroke, while playing golf on May 4. "It left the right side of his body paralyzed," wrote his wife, Maureen. "We are happy to have an amazing support group, Rotarians, Midvale friends, neighbors and other friends and family when asked. Many of you are sending cards, calling and emailing jokes which help lift his spirits and are very appreciated!" The editor called John before putting this in the newsletter, and found him as alert, smart and funny as ever. He keeps up with North Scott Rotary reading our newsletter each week and found the chronological list of members interesting. He's going to PT four times a week and learning to use his left arm and leg. The picture (above) of John and Maureen is from the 2007 Rotary International Convention at Salt Lake City. Anyone wishing to connect or reconnect with John can reach him at 585-857-1126. The address is John Hall, 50 Valewood Run, Penfield, NY 14526-2807. – BT

ROTARY YOUTH EXCHANGE

Rotary

Club of North Scott

Would you like an international experience of a lifetime, in your own community?

The Rotary Club of North Scott is looking for host families for a Rotary Youth Exchange student for the 2024-25 academic year.

Advantages of Rotary Youth Exchange:

- 1. You will be working with a highly reputable, international organization with coordinators and member contacts in your own community.**
- 2. Home hosts do not need to be Rotarians.**
- 3. Because it is our desire to have two or three home host families, the duration of your commitment will be less than a full year.**
- 4. The Rotary Club of North Scott provides monthly financial support to exchange students.**
- 5. Rotary Youth Exchange students participate in Rotary activities: 1) at the club level with club members who are leaders in the community; and 2) at the district level with students from other countries.**

If you have questions or are interested, please call Paul Kalainoff, Rotary Youth Exchange coordinator for the Rotary Club of North Scott, at 563-570-7907.

ROTARY PRINCIPLES

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Code of Conduct

As a Rotarian, I will:

1. Exemplify the core value of integrity in all behavior and activities.
2. Use my vocational experience and talents to serve Rotary.
3. Conduct all my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example for others.
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society.
6. Offer my vocational talent to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians.
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

The Four-Way Test (of the things we Think, Say or Do)

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

50 YEARS OF NORTH SCOTT ROTARY

Fifty years ago, the leaders of Rotary District 6000, led by Davenport Rotarian and **District Governor Henry Hook**, who was publisher of the *Davenport Times-Democrat*, saw a need for a new Rotary club to serve the growing North Scott area; a club which would bring together community leaders in Eldridge-North Scott, and Davenport north of Duck Creek. Back then, we had a defined territory. That has been changed to “vicinity,” so now members can live anywhere.

Our sponsoring club was the **Rotary Club of Davenport**, which was 275 members strong. Our bell and gavel – which have found themselves in mysterious places such as Weed Park in Muscatine – were gifts from Davenport Rotary, which had an office on Brady Street, and that’s where our club’s records were kept by executive secretary **Bob Bawden**, and his secretary **Henrietta Cahill**.

Thirty-seven men – Rotarians were all men back then – accepted the invitation. They were leaders in their professions. The meeting place was **Holden’s Edgetowner** at Mt. Joy. We outgrew The Edgetowner and moved to the **Davenport Holiday Inn** in 1980, and have been at the **Steeplegate Inn** since 1985.

In the book, “Rotary: The Iowa Influence,” which is a history of District 6000, it is written by **Bob Bawden**, “*Securing new communities for Rotary clubs then was difficult, but Henry was going to do it in his year as governor! So, in October 1973, the Rotary Club of North Scott was chartered in a ceremony we shall never forget! Henry invited every Rotarian from three districts around and secured as featured speakers the Rotary International President from London, England, William Carter, and the Governor of Iowa, Robert D. Ray.*”

Here’s a photo of **President Carter** with our framed charter. The date on the actual club charter says **Oct. 10**, but the **Charter Night itself was Oct. 16, 1973**. Copies of the charter night program are at your tables. Charter Night at Palmer Auditorium was attended by 800 Rotarians and guests. A highlight was the presentation of the charter to our first president, **Dan Whalen** – an attorney and the father of Heart of America Restaurateur **Mike Whalen** – and each member received personal congratulations from the RI President.

From that point forward, it was onward and upward. The **club banner**, with themes chosen by members, features a steamboat on the Mississippi and the farm tractor to show rural-urban friendship. The earlier banner included clasped hands and an ear of corn. There’s a picture of a banner exchange from 1997 with past president **Pat DeLuca**.

The name “NorScottarian” for the **club newsletter** was chosen among nominations that included “The Scotsman,” “Noter-Rotary,” “Rota-Hooter” and a dozen or so others. Back then, before the Internet or email, the printed newsletter – usually one page – was mailed to each member’s home AND business. Editor Bawden’s newsletters often included cartoons and jokes.

Our **first program** was a forum with Davenport mayoral candidates, and programs since have been varied and mostly interesting – with a few exceptions, perhaps! Always in the eye of the beholder. We’ve heard from college presidents, governors, generals, authors, mayors, artists, musicians, youth, and best of all, from our own members.

The **most attended weekly meeting** was in 2015, when 160 heard presidential candidate **Carli Fiorini**. Before that, it was 105 in 1999 for Vice President **Dan Quayle**. That’s the Vice President, at left, shaking hands with **Harlan Meier**. The VP was late arriving and we were singing R-O-T-A-R-Y when he entered. In his opening remarks, he thanked us for the spelling lesson!

The first new member after the charter was **Walt Fahrenkrog**, Steve’s dad. That’s Walt, the CPA, at left, in the early years, and at right, with **Jim Smith**. Walt was our fourth club treasurer – **Roger Burt**, **Don Langan**, **Jerry Hansen** – and served until his passing in 2009.

Another new member was **Mel Heiler**, the North Scott superintendent for whom gifts to our **Educational Foundation** were named when it was formed in 1993 – Mel Heiler Fellows. That’s Mel, at left, and **Sheila Volrath** at right, presenting one of many

North Scott Rotary scholarships – \$250,000 awarded since the foundation was started in 1993.

Music was important from the start, too. In 1985, president **Roy Keppy** persuaded **Dorothy White**, Rob’s mom, to play, and she became an institution, making music at Rotary until three months before she died at age 98 in January 2012. That’s **Dorothy**, at left, and president **Scott Case** presenting an honorarium to **Dorothy**. A performing arts scholarship was later named in her honor. The music continued after Dorothy’s death, thanks to **Paul Holzworth** arranging for the rotating pianists **Tewanta**, **Terri** and **Marguerite**.

The announcement of the **Dorothy White scholarship** was the same year as the Valentine Party when the missing charter was found by the security firm **Duck, Duck & Run** and returned to president **Carl Stigdon** by a large woman, **Tom Yates**, presumably a spurned lover, dragged into the room on a long rope. That skit, like others, was concocted, at least in part, by the late **John Pfeiffer**, our second president, who made sure we had fun. He shook things up when fines were raised from 50 cents to a dollar! That’s **John**, at right, with former county Extension Director **Don Olson**.

The serious side of Rotary was summed up in a talk last year by **Ann Hanson**, our food server for many years at the Steeplegate. We have many points of view, she said, but we leave our differences at the door. That’s **Ann**, at left, several years ago, with Santa Claus.

In our 50 years there has been stability with just three executive secretary teams. I worked with **Henrietta** after **Bob** retired in 1996, and **Dennis** and **Deb Peterson** took over in 2007 and it’s been just **Deb** since 2020. That’s **Dennis** and **Deb** at the 2016 District Conference in Des Moines.

Two major changes occurred in 1987:

1) The U.S. Supreme Court said Rotary could not exclude **women as members**. North Scott Rotary was not an early adapter, but we’ve come a long way. **Pam Peters**, at top left, was first, and then **Judi Holdorf**, **Schar Blevins**, **Linda McClurg**, **Anita Wubbena** and **Becky Bray**.

2) Rotary world-wide made the commitment to **eradicate polio**: it was Rotary’s first world-wide service project. North Scott Rotarians have given generously, and two of us – **John Maxwell** and I – have joined polio immunization teams. That’s me, at left, in **India**, and at right, in **Nigeria**. Sorry, John, I couldn’t find a picture!

Our longest standing project, begun in 1977, has been volunteering at **Special Olympics**. That’s **Jeff Ashcraft**, at left, with one of our favorite athletes, **Tommy Ganzer**, and **Brad Burt**, at right, measuring the softball throw with **Mike Corbin**.

We’ve volunteered in more ways than I have time to name. A recent favorite was the **Rotary Inspiration Play Zone**. That’s president **Dennis Peterson**, in yellow, cutting the ribbon, in October 2017. The **Tryke Build** is another favorite, among many. **Miracle Field**, **Rotary Adventures**, **Habitat House**, **Harvest Party**, **Student Dictionaries**, **Interact** – where do we start and stop? I estimate the value North Scott Rotary’s community service over the years about **\$2 million** ... but priceless, actually. Some things, like **servicing meals to the police**, cannot be measured in dollars and cents.

Internationally, we opened our homes and hearts to **Youth Exchange** students and **Group Study Exchange** teams and three times provided vocational training for teams of **Russian businessmen**. That’s the team from 2002, upon their arrival, at **Jim Smith’s** house. We are a **100 percent Sustaining Club** for giving to **The Rotary Foundation**, and at one point achieved recognition as an **All Paul Harris Fellows Club**.

We’ve supported district projects in **Mexico** and **Guatemala** and have sponsored **Rotary Foundation grants** in many countries, most recently the **Imbabaze Centre for Women and Children in Uganda**. The reward is on the faces of the people.

As one who has been privileged to have been part of North Scott Rotary from the start, I have seen us at our best when we are looking outward, not inward, serving with love and **Creating Hope in the World**.
– *Bill Tubbs*

PROGRAMS

MARCH 22: Hi Josie - I have your contact information from Mark Carlson of Moline Rotary Club. I would like to see if North Scott Rotary would allow me to present a program about helping QC young students improve their reading levels? With COVID there is much work to be done. Please call me directly at 309-756-7709. Thank you, Yours in Service Cecilia O'Brien Member and past President, IL QC Rotary Club

Dec. 27, Rich Horst: I also spoke with Emily at the Quad City Chamber office to coordinate an invitation for their new CEO Peter Tokar to speak. He will arrive in mid January and would like a couple of months to get his bearings but we are high on his list of potential engagements, perhaps my April date.

Mary Egger, Oct. 1: I was wondering if you have any openings for myself and my Community Engagement Coordinator to visit and speak about Family Resources at one of your meetings. We have our Adopt a Family program starting in anticipation for the holidays, and we would love to share our information with your club. Please let me know if you have any availability. Thanks so much, Mary Egger, Development Director, 563-529-7612

Sept. 1 and 11, 2023: Erica Cerda-Schroeder: Join a growing movement of people who are helping fellow community members live with dementia! At least 66,000 lowans are living with dementia and 60 percent of those are living at home. That means they are out and about in the community, going to the bank, the hair salon and the gym. They are shopping at local businesses and attending church. At this informational session you will become a Dementia Friend by learning some basics about dementia and tips for communicating with people who have dementia. You will find out how you can be supportive of people living with dementia in our community. July 25, 2023: I'm Victoria and I'm with United Way Quad

Cities in Bettendorf. I'm contacting you today about the opportunity for United Way Quad Cities to possibly present at one of your upcoming Rotary meetings. We would love to share what we're currently working on to see if it aligns with any initiatives of the North Scott Rotary. Would you be able to help me schedule such an opportunity or guide me to where I could schedule that? I look forward to hearing from you! Have a great day, Victoria Edwards, Administrative Coordinator United Way Quad Cities, 852 Middle Rd., Suite 401, Bettendorf, IA 52722, Office | 563-344-0344

July 5, 2023: Jeff Ashcraft and Deanna suggested that I reach out to you and make you aware of Safer Foundation's willingness to come share our story with North Scott Rotary. "People uniting and taking action to create lasting change" is a great capsulation of how Safer was creating more than 50 years ago. If the club's speaker schedule permits, I'd be happy to share more about how our mission ties to Rotary's vision. At your convenience. Thank you for your consideration. Brian Monroe, 1702 N. Main St., Davenport, 563-296-5542; Brian.Monroe@SaferFoundation.org. Cannot noon Aug. 11.

July 10, 2023, Rita Rawson: I wanted to refer a guest speaker to North Rotary. I had the opportunity to hear about this local group and wasn't even aware they existed. They work primarily with disadvantaged youth and the organization began during COVID. Contact information: Sherwin Robinson, Sr. (head of ASWAS, a system within a system) Cell: 563-940-7468 aswasinc@gmail.com website <https://aswasinc.wixsite.com/africanamericanmales/news>

Kelly Meyer, March 27, 2023: C.A.D.S. at Unity Point. Center for Alcohol and Drug Services, Inc, and they work with all kinds of programs with regards to public health. One of the programs they are working on has to do with gambling/lottery/raffle licenses within businesses in the area. Part of their outreach is speaking at events and I wondered if something like this would fit into our program line up. Jason Otten, but he may have another person with him

Ardita Grunwald, June 5: I have the director for Mercado on Fifth, that would be interested to come and speak to our group. I was told to reach out to you to possibly arrange this. Is this something we could put on the schedule? If so what do you need from me. Ardita Grunwald, 309-363-9507, arditagrunwald@hotmail.com. Maria Ontiveros?
