

## Prez Sez

Bill D. Corwin

Wow, we are already into March! In the last week we are seeing some thawing and some really nice days of weather. That, with the many vaccine distributions and some positive virus numbers being reported, makes me glad to get out a bit. We are back to buffet this week. I am excited to see what UGCC comes up with for us this week. I am sure it will be a good lunch for all.

Our scholarship committee has been working hard and will be getting some qualified candidates for our scholarships. More details to come, soon.

Pickleball, Pickleball and Pickleball. One of our two major fundraisers is only 15 weeks away. We do have a new date: May 15th, 2021. We will be opening registration and sending out an email to all the players and the volunteers in the past years to save the date and that registration opens soon. As far as raffle ticket sponsors, we are working on getting the restaurants committed, the tickets printed and ready for sale. We will plan to sell tickets until just past the tournament, this year. As far as sponsorships for both Pickleball and Golf tournaments, if you want to or know someone who wants to help us put on our tournaments this year, let them know the time is now. The committee is getting busy soliciting sponsorships. If you want to assist, let us know. The committee is meeting every couple of weeks to make sure we are ready for May 15th.

I still want to encourage you to bring a guest to Rotary (via zoom or to in person meetings) please do. We have lots of room for like-minded service above self.

To everyone reading this message, thanks for all you do for the good of the world.

## Scribbles...

### Deb Bowen World War II Heros

Deb loves WW2 projects because they emphasize kids... specifically teaching kids to honor veterans. One project is through the Jewish Federation (Quad Cities) and it educates kids on the war through highlighting folks who live in the area. They coordinate with teachers to volunteer and share educational materials revolving around WW2 topics. Many kids interview heroes who survived WW2 and write books about their experiences. Newer projects include getting kids acting out (on stage) events that occurred in their stories. Some of the materials include highlighting eye-witness events of Auschwitz and other concentration camps, medics who worked in triage, POWs, & refugees.

Harold Kasimow - Jewish Holocaust Survivor - he was moved by meeting a young kid who was inspired by his story, so much so that he wrote a book. He was inspired by how many people who were motivated to help save his family. Harold shared an inspiring quote: "Don't hate - love life. And never give up hope in humanity."
