

Prez Sez

Bill D. Corwin

For those who have not heard, I have some sad news from one of our Club's long-time members. All who know Dr. Dave Piersel know his partner in all things including Rotary, his wife, Myrna. Many of us Club members knew her much better than I did. My experience with her was mostly during service events. She had a kind demeanor, and pleasant smile every time I met her. Dave let us know that last Tuesday Myrna had a terrible fall and was in the ICU. She passed on Friday while hospitalized. Arrangements are being made with Hamilton's Funeral Home. We will update the Club as we know more. I am certain Dave and his family can use our prayers and support. I want to express my sorrow for their loss.

Thanks to everyone who helped with our Sergeant for Service event last week at the meeting. We got over 80 personal notes made out to go with the chocolate bars we are providing. They will be delivered by UCAN in the next few days. They have many people they serve who would love a nice note and chocolate bar. Because of your efforts Friday they will get just that as a surprise, soon.

We have a social event coming up for the Club members and spouses/partners/SOs/friends, on Wednesday evening the 21st of April at 5: 30 pm. We will hold it at Ruby Tuesday, just up the street from UGCC. Please mark your calendar and let's get together and practice the 5th Test.

Raffle ticket selling season is upon us. See the Upcoming Events box for opportunities for you to sell your sheets. If everyone in the Club does their part in selling, this will one of the best years in fund raising on the tickets, ever. The Hy-Vee opportunity on top of our individual efforts should be extremely effective. I know if we run out of tickets, Joe can get more printed, so do not worry selling so many we run out.

Please bring a guest to Rotary (either via zoom or to an in-person meeting). We always have room for like-minded people ready to work for Service Above Self.

To everyone reading this message, thanks for all you do for the good of the world.

Scribbles...

Dr. Eric Barnum Drake Choral Activities

President Bill D. Corwin welcomed 15 Rotarians attending live and an additional four by Zoom. In lieu of a Sergeant's session, those in attendance wrote short notes on "thinking of you cards" to persons isolated by COVID-19.

Dr. Eric Barnum, the Drake University Director of Choral Studies, provided an interesting program, describing the effects of the COVID-19 pandemic on the Choral program. At Drake University, touring and performing are an integral part of the Choral program's educational experience. On Friday, March 13, 2020, lockdowns were announced, as the Drake Choral group was in Kansas City to perform. They performed one last concert without benefit of masks or social distancing. Since vocal concerts were considered "super spreaders," Drake University waited for Science to dictate their future actions.

Currently, Music Education classes are on-line only. With adjustments for ventilation filters, limiting practice times to 20-30 minutes, and following other protocols, the choirs have been able to continue and work around the COVID-19 restrictions. Dr. Barnum indicated that, although cumbersome, adaptations were made that enabled the students to receive their music education, even though the performing experiences were modified. The Pandemic made for interesting modifications to teaching choral and instrumental music, ultimately leading to creative solutions to the challenges presented.
