Jack Bell

Last week we had our bi-monthly CFUM Supper Club dinner across from Moulton Elementary. It was the first post-COVID, sit-down dinner in four years. HyVee took center stage, donating enough food to feed a Division 1 football team. It was a traditional spaghetti meal with all the accompanying goodies, including brownies that looked like my grandmother's (not sure how they tasted; didn't think I'd be able to pull back after an initial sampling).

According to Jake, this was a collective donation from all area stores – numbering close to 22 if I heard correctly. I also think I heard Jake say that HyVee would continue to provide this generous contribution for the remainder of our visits (fourth Monday of each even-numbered month). Next time you are at a HyVee, please find the store manager and extend our gratitude!

We provided exactly 100 meals, including serving plenty of students...I spoke to one who was on his way to track practice and needed to fuel up before the workout. I initially was a bit concerned with the sheer amount of food that HyVee had provided, but as I scouted the kitchen looking for stray cookies my questions were addressed: CFUM staff were packaging food for both the Grubb YMCA and several local community fridges.

It's now nearly time for our big raffle weekends – May 18/19 and May 25/26. You'll never guess which organization is once again allowing us to utilize (high trafficked) space for ticket sales...yep, that would be HyVee.

One more, last minute, item. I just spoke to our friend John Rodgers from the WDM Club. On Tuesday, May 14 at 5:30 John Ockenfels and Peter Teahen will give their first-hand account to the WDM Club at Grand Living at Tower Place in West Des Moines about their Flight Around the World to End Polio. John will visit us on Friday to give us all the details on what surely will be a captivating talk.

Thank you all for Creating Hope in the World. Jack

Scribbles...

Club Assembly

Pickleball: The good news, the club made more \$\$ that ear before, but had fewer participants. Dinks was great to work with and club needs to decide next steps. Club raised \$2,300 more than last year, this does not include current raffle still going.

CFM: HyVee provided the spaghetti dinner and has enlisted other HyVees to provide that meal each week at no cost to our Club. They also provided "take home" containers for those participants who wanted to take their meal with them.

May 5 - Spring Clean Up. Meet at Des Moines Christian parking lot 1pm, water and slice of pie provided! Walking 142nd - 128th.

RYLA - still in need of students/ Rotarians to attend the week in July, Rotarians are there to provide support and give working examples for the students .

LeRay - Gave us an update on his involvement with Croatia. He and his church served 20

Scribe Continued...

families from Ukraine who were refugees in a day camp type setting. They had great translators from a mission within the country. Great experience.

Hero in Education - discussion about losing Urbandale School contacts, so perhaps the funds that went toward recognizing a specific teacher would go to boost the Scholarship \$\$ for DMACC . Consensus to increase the \$\$ amount for the DMACC scholarships for those students pursuing career focused pathways.

Golf Outing discussion for Fall 2024. Would prefer 12:30 pm start, perhaps Beaver Run, need sponsors and teams to organize. Be nice to have a food option before play starts.

Scribe, Julia Taylor

Birthdays
