

SERVE TO CHANGE LIVES

Prez Sez

Bill D. Corwin

A new opportunity for fun and service is coming September 10th. This is the day before the Iowa ISU football game. We are calling the service program Iowa ISU Trailgating 2021. See the full details in the flyer attached to next week's Prez Sez. On the 10th after our regular Friday, meeting the Club will meet over near Des Moines Christian School parking lot. We will clean up our newly adopted bike trail. Hope for good weather and I hope we can see you then for an hour or so. Fresh fall air should be good for everyone. This will be the first of three times we plan to clean the trail, this year. After this session we will know exactly where the trail we are maintaining is located.

Coming up at our weekly meeting, look for the membership minute with Tim Olejniczak. Tim has some good ideas to share on our desire to grow our membership in 2021-2022.

We also have our Annual Golf Tournament coming up on September 17th. If you wish to sponsor the Tournament, register a foursome, or provide some door prizes or gifts for the player, contact Ed Arnold at edarnold1945@gmail.com or 515-979-6215. We are also be looking for volunteers to assist us the day of the Tournament. This will be our meeting, that week.

Donna Larson is also working with the DM Playhouse again this year to set up some times between October and Thanksgiving for us to volunteer as we have in the past. The Playhouse is back to providing quality live entertainment and needs volunteers. Look for more details in late September and early October.

Scribbles...

Sandra Swanson - Clive Behavioral Health

Friday, Sandra Swanson was our speaker. She is the Director of Business Development of the newly opened Clive Behavioral Health [hospital]. They have a the new building in Clive, and it has 100 beds. The hospital is located at 1450 NW 114th St in Clive. They also plan to open a Behavioral Health place in Des Moines at MercyOne.

Clive Behavioral Health will be the first freestanding behavioral health hospital in central Iowa, and the largest in Iowa, overall. The new facility is a partnership between Universal Health Services (UHS) and MercyOne. It will treat adults and children and will do both inpatient and outpatient treatment.

The Clive location is built to provide lots of light. It is a has a nice cafeteria, a gym, rooms for group sessions, an outdoor area for kids and adults. They want to provide a positive physical and mental place.

Hopefully, this will help Iowans and their families. According to a 2017 report from the Treatment Advocacy Center, Iowa "earned" a D- grade for its mental health bed shortage, as well as its unorganized system of treating inmates with severe mental illness. The report said in 2016, Iowa ranked last of all states in terms of psychiatric bed availability, with only 1.2 beds per 100,000 adults; this is a far cry from the national average of about 12 beds per 100,000 adults.
