Lots going on at the Rotary Club of Northwest Des Moines.

We will have our first ever Iowa ISU Trailgate clean-up on Friday after the meeting. Don't forget to wear your colors to the meeting and the Trailgate activity. After this weekend's games, I think the match-up is more even than it looked on paper before everyone played their first game. I know I will be watching the big game on Saturday from opening to close. I went to the Iowa game last weekend, and it was packed with fans and seemed almost normal. A great time was had by all, from my perspective.

Coming up at our weekly meeting, look for the membership minute with Tim Olejniczak. Tim has some good ideas to share on our desire to grow our membership in 2021-2022.

We also have our Annual Golf Tournament coming up on September 17th. If you wish to sponsor the Tournament, register a foursome, or provide some door prizes or gifts for the players, contact Ed Arnold at edarnold1945@gmail.com or 515-979-6215. We are also be looking for volunteers to assist us the day of the Tournament. This will be our meeting that week.

Dave Miglin - Broadlawns Hospital Update

The speaker for the September 3rd, 2021 meeting of the NWDM meeting was Broadlawns Trustee Dave Miglin. Dave moved to Des Moines in 2013 as VP of media and digital services for Strategic America. Recently appointed to the Board of Trustees of Broadlawns Medical Center (BMC), Dave gave us a BMC update.

Dave informed us that Iowa ranks 29th in the country in mental health support. Dave believes BMC should collaborate with the Des Moines police department to identify gaps in mental health for young adults.

BMC partners with the DM police and Polk County Sheriff's Department to employ 3 crisis advocates.

1. A crisis advocate will be in dispatch to aid the police on mental health calls.
2. A crisis advocate will handle mental health responses with police support as needed.
3. All crisis advocates are cross-trained to help where needed.

BMC will create a Brain Health and Memory Care unit for its hospital. It will be a one-step approach for the patient and their care giver to receive expertise and support. BMC is targeting a 2025 opening for this unit.

BMC is changing and evolving as a community hospital. Dave and the Board of Trustees are making insightful decisions for generations of Iowans to come.
