## HAZARDOUS WASTE

Two events (Spring/Fall) held in Partnership with Recycle Utah. Carolyn and Janna organized Sunrise service efforts,, marketed the events to the community through the Park Record, KPCW and social media and managed the events. Over 80,000 lbs of toxic materials were safely disposed of from Summit County households.

Leslie Wood

## ROAD CLEANUP

Leslie takes her role as project lead seriously. She coordinates with Recycle Utah and the county to schedule the clubs efforts, handles frequent disruptions in scheduling, and ultimately leads a group of Sunrisers as they keep Old Ranch Road and Deer Valley Drive sparkling clean.

Pam Woll

## VOA BACKPACKS

Pam Woll has led the cub's backpack service project for several years. Working with dedicated community members, we source, pack and deliver new backpacks filled with critical supplies for at-risk and homeless youth in the Utah community

Kristi Guest

## AFGHAN REFUGEE CRITICAL SUPPLIES

Quickly reacting to the needs of new Afghan refugees as they settled in Utah, Kristi petitioned club members for donations over a three week period. She collected and delivered several carloads to a grateful community.

Monika Guendner

## HABITAT FOR HUMANITY

Monika was able to marry her rotary and her professional lives with this new club event. She brought volunteers to a house in the community for two consecutive weekends of work. In the end, Sunrisers were able to prime and paint the entire home as it is prepared for occupation by a proud new homeowner.

Jeff Whiting

## VOA TEEN CENTER DINNERS

Jeff has deputized several loyal club members to help organize these important events every single month. From preparing food to, when COVID allows, serving it to these unhomed teens, Jeff has kept this as a mainstay service project.

Jeff Whiting

## SCHOOL DICTIONARIES

In the midst COVID, Jeff worked hand-in-hand with every elementary school in the district. He coordinated club efforts as we received, sorted and labeled new dictionaries, then delivered them to kids at school.

Stacy Lippert  
Dell Fuller

## HOPE ALLIANCE

Continuing our long standing partnership with Hope Alliance, Dell and Stacy organized an outdoor club social and service project, cleaning and prepping glasses frames for donation to communities in need.

Janet van Hartesvelt  
Monica van Hartesvelt

## HOLIDAY SERVICE PROJECT

Janet used her contacts in the community to quickly identify a way for Sunrise to continue our long-standing support of Holy Cross Ministries and their constituents
