HISTORY:

After the Rotary Club of Anthem received its charter in 2003, the membership established a scholarship program to recognize outstanding achievements of graduating high school seniors, awarding \$1,000 annually to FIVE high school seniors living in the North Phoenix area. The program continues to evolve to provide higher education and training opportunities for those students looking to attend a University, Community College, and/or a Vocational School to better enhance their future career path. In 2021 the Rotary Club of Anthem's members changed the scholarship to honor a long time Rotarian Edward Varney as he was a strong advocate for higher education. Anthem Rotary continues to honor and to carry on his legacy.
