Relay For Life at Mohave High

by Dave Moore

Gail Jones of the local American Cancer Society presented information last week on the upcoming Relay for Life at Mohave High School starting this Friday, May 1 at 6:00 pm and continuing through Saturday morning at 8 a.m. Over 95 teams will walk to raise money for cancer victims and research.

One in three people will be diagnosed with cancer during their lifetime. This 25th American Cancer Society Relay For Life is a life-changing event that brings together more than 3.5 million people across the country each year to celebrate the lives of those who have battled cancer, remember loved ones lost, and fight back against a disease that takes too much.

Gail also informed the club members about a unique opportunity to participate in a landmark new study, the Cancer Prevention Study-3 (CPS-3). The American Cancer Society will be enrolling people into CPS-3, a long-term study that will help researchers better identify the lifestyle, environmental, and genetic factors that cause or prevent cancer. For more information about how to participate in the research, visit the Cancer Prevention Study-3 website through the link at www.bullheadrelay.com.

by Dave Moore

There are only 5 rooms left at the beautiful Prescott Resort for the District Conference May 15 - 17. The special conference rate of \$99/night has been extended until these last five rooms are filled. Then, rooms will not be available at any price because the hotel will be full!
