### Rotary's Boom Box Parade Float

by Art Harrington

## ROTARY FLOAT

Give them the credit they deserve! The Laughlin Rotary Club did the majority of the work to construct the Rotary Float for the annual Boom Box Parade. While it was to have been a joint project, we kind of fell down on our end of the bargain. We had two workers versus their eleven.

Thanks to Kari Hoffman and Steve Brown for representing our club.

### Invitation to the club

by Laura Grasse

**You are invited!**

Rich Tempelman and I would like to invite all of you to attend the December Bullhead Chamber mixer this Thursday, December 7th, at 5:30 at Mohave State Bank, 3651 Highway 95. There will be food and music to celebrate the season.

We hope to see you all.

## **Michele Long is new member**

**We welcome Michele** as our newest member of the Bullhead City Rotary Club. She is the Sales Manager of Holiday RV & Marine Super Store, Inc., 2535 Miracle Mile, here in BC.

Michele is married, and her husband Tim works as the Service Manager at Holiday RV & Marine.

Corky Cornell gets the credit for sponsoring Michele as a Rotarian. She has caught the Rotary spirit of "Service Above Self" and has already been involved in several of our service projects.

We hope to have a photo of Michele for next week's club bulletin. Michele was slated for some surgery this week, and the bulletin editor has been out of town on business.

## **Elizabeth Skinner writes from France**

**Greetings from France!** It has been a while since my last update, and lots has happened since then. So far I have been on two trips with Rotary. The best one was in October, and we went to Le Mont St Michel for two days. There were over 100 exchange students from 4 different districts. It was a fun weekend.

Le Mont St Michel is probably the coolest thing I have EVER seen, and I made a lot of friends, including some Americans and a girl from Tucson. I took LOTS of pictures. For fall school vacation I went back to my host family's island house for one week

The Holidays are coming up and it's making all of us here on exchange a little homesick, so we came up with an idea. Last Thursday all the exchange students in my city got together and we had a Thanksgiving Dinner! There were three Americans, one Canadian, one Mexican and a Brazilian. We held it at the home of a Rotarian, and invited Rotarians from our different clubs to eat with us. They had never had an American Thanksgiving before, and they enjoyed it. Though, they did insist on having caviar and champagne before the meal, so it was a little French, too.

[More from Elizabeth next week. Stay tuned.]
