### Begin With The Children Press Conference

by Dave Moore

**Vibert Kesler** of the Parent's Peace Foundation

introduced the "Begin with the Children" project to the community at last week's special Rotary Club meeting. Representatives from WARMC and ValleyViewMedicalCenter voiced their support of the project, designed to provide important parenting information and encouragement at a critical point in the lives of new parents and their newborn child. Mayor Jack Hakim was very complimentary of the project and thanked Rotary for bringing this project to our area. Thanks to [Willie Richardson](#) for discovering this project, bringing the hospitals together and helping to organize last Thursdays meeting. Kudos also to [Mike Conner](#) who somehow turned "finger food" into a very satisfying lunch.

### Burro BBQ Committee Sign-Ups Continue

by Dave Moore

## Work - Work - Work - Work - Work

The club is still in the planning stage for this year's Burro BBQ. The sign-up sheet for committee work was circulated last week and will be available again at this week's meeting. Please sign-up for the work groups and time periods that you would like to commit. We need to have members committed to every Burro BBQ committee so that Chairman Frank Hart can know that we have it all covered.

### **District Governor Nominations**

*by Dave Moore*

## **Opportunity to Serve at the District Level**

Nominations are still being accepted for District Governor 2011-12 until March 1st, 2009.

The volunteer position of District Governor is both challenging and very rewarding. It's an experience and opportunity like no other. Current DG [Charlie Tegarden](#) encourages anyone who is considering this position to find out as much as they can by contacting any Past District Governor and then work through their club to send the club's endorsement to the District Nominating Committee. Details of the process are on line at the District website.

Please contact Charlie Tegarden if you have any questions about the position or the selection process.
