Cornell to serve as AG
by Art Harrington

Corky Cornell will be next Assistant Governor

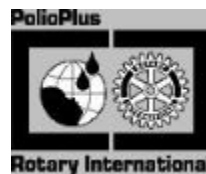

We are proud to announce that our own Lawrence "Corky" Cornell will be serving as the next Assistant Governor for this northwestern corner of Arizona.

Corky is a past-president of our club and has served in number of district leadership capacities. He will be responsible for overseeing the two Rotary clubs in Kingman, the club in Bullhead City and the club in Needles.

After concluding her second term as the AG for this area on June 30, Sharon Harrington is looking forward to turning over the reins to Corky, as she prepares to succeed Laura Grasse as the president of our Bullhead City Rotary Club for 2008-09.

District's PolioPlus Trip to Mexico
by Art Harrington

PolioPlus trip to Mexico is Feb. 16-18

Rotary District 5490's annual PolioPlus Trip to Caborca, Mexico, is set for Feb. 16-18. Twenty-five seats are available on the bus that will be shared with D5320 from California.

The cost for the bus trip to help inoculate the children will be \$150 per person. That includes snacks and drinks on board the bus, and all meals in Caborca. Additional expenses will include \$6-8 for Friday lunch and 2 nights in a motel (probably \$50-55 a night).

For border crossing purposes, you will need a passport or birth certificate.

If you are interested in participating in this trip, you will need to contact Chuck Rose, the trip coordinator, at (623) 544-8199 or PDG Don Schiller (928) 717-1000 as soon as possible.

Next RI Convention in our backyard

by Art Harrington

2007 Rotary International

Convention

Salt Lake City

Head to the mountains of Salt Lake City for the 98th annual RI Convention, slated for 17-20 June 2007. There, you'll join family, friends, and fellow Rotarians from around the world at Rotary's largest annual get-together. This year's convention is fun, informative, and affordable, with new features, such as the World Peace Symposium.

"No word or pictures can describe the great feeling of being at an RI Convention. You have to go and see it for yourself."

Rotary Foundation Scholarships

by Art Harrington

Rotary's Ambassadorial Scholars

The Rotary Foundation began in 1917, but it didn't become a major component of Rotary until founder Paul Harris's death in 1947. Upon Paul's death, more than \$1 million was contributed in memorial gifts. Shortly thereafter, the first program of the Foundation was established: *Fellowship for Advanced Study* - the forerunner to the now-popular Ambassadorial Scholarships program.

The Rotary Foundation's Ambassadorial Scholarships program is one of the world's largest privately funded international scholarship programs for university studies. Since 1947, approximately 37,000 students from some 110 countries have studied abroad.

Did you know that film critic Roger Ebert, journalist Bill

Moyers, and Sadako Ogata, the former UN High Commissioner on Refugees, were all Rotary Ambassadorial Scholars? The list of these scholars, along with the chronicle of their accomplishments to make this world a better place, is truly remarkable.

Every Rotarian Every Year (EREY) contributing to our Foundation continues to provide phenomenal opportunities for bright and talented young leaders to equip themselves to make a significant difference in this world. Be a part of the Rotary magic. Contribute regularly to The Rotary Foundation.
