RI Financial Update

by Dave Moore

Excerpt from a letter from Ed Futa, General Secretary- Rotary International

Dear Rotarians:

I'm happy to report moderate improvement in Rotary's financial situation since my last letter on this subject on 2 April. Both Rotary International and The Rotary Foundation saw positive investment results in March and April, marking the first consecutive two-month period of growth this fiscal year. As a result, our investment losses have dropped from US\$26 million recorded through February to \$18 million as of 30 April for RI and from \$222 million to \$187 million for the Foundation. Most of the year-to-date losses remain unrealized and should reverse as the markets recover.

You can read the full text of the letter on the RI website.

Rotary Photo Contest Winner

by Dave Moore

First place. Steve Baroch, Rotary Club of Castle Rock High Noon, Colorado, USA. "The writing on the wall has everything to do with what makes this photo. And each of the kids has a different emotion going on. A lot of the kids in this school are orphans, and some came from an orphanage that was burned to the ground in the postelection violence in 2008. Our club is supporting the school with books through a nonprofit called Transafrika Cultural Institutes." Giboux: "I like the composition, the way the children are in it. 'Peace wanted alive' is very dramatic, yet the picture is very peaceful."
