Our Shelter Box in Africa

by *Dave Moore*

Shelter Box Deployed- a letter from [Erica Sirotych](#), Associate Director ShelterBox USA

"We are excited to report that the ShelterBox you sponsored has been deployed to Agok, Sudan to aid families displaced by ongoing civil conflict. A part of our ongoing *A Million in Africa* initiative, this deployment addresses the chronic need for shelter and survival essentials by some of Africa's vulnerable refugee populations.

Your Box arrived on the ground in Sudan packed with a 10-person tent and other survival essentials, including a water purification kit, cooking and eating utensils, blankets and groundsheets, mosquito nets, hand tools, and even a children's activity pack. This equipment will provide a displaced Sudanese family of ten with shelter and the means to rebuild their lives.

We understand that you have been awaiting news of your box's deployment for several months; we truly appreciate your patience. Because we are committed to ensuring the security of our response teams and boxes, we must take every precaution and, sometimes, delay our deployments into regions in conflict. Rest assured that your box is now providing much-needed shelter, warmth, and comfort to a family in need. In the words of our founder, Tom Henderson: *On behalf of the people we shall never meet and know I thank you.*"

New DG Elect Nominee

by *Dave Moore*

[Sara Jane Feldman](#), a member of the White Tanks Rotary Club, was selected as the District 5490 Nominee for District Governor 2011-12 at a meeting of the district nominating committee on March 14th.

Rotary International bylaws, article 13, allows all clubs in the district an opportunity to challenge this selection by putting forth a challenge candidate. Clubs have until April 1, 2009 to do this.

See the RI bylaws for details.

If no challenges are received by the deadline, Sara Jane Feldman will become the District Governor Nominee Designate for 2011-12 and a formal announcement will be made to all members.
