### GSE Team Visits from Down Under

*by Dave Moore*

The four members of the Australian GSE Team visited the club last week and presented a very informative and entertaining look at life "down under". Jenny, Denise, Ainslie and Andrew each covered a different aspect of life in Australia, including geography, politics, economy, food, plants, wildlife, social customs, holiday celebrations and a little information on their personal and professional backgrounds.

After a side trip to Oatman Thursday afternoon, the team and their host/driver PDG Don Schiller were the guests of honor at the Fireside at [Jim & Andrea Carpenter's](#) home. Everyone enjoyed the warm afternoon temperatures and an excellent dinner catered by Mohave Steakhouse. Members of the MHS Girls Soccer Team volunteered to help serve the guests in exchange for tips, which will go toward the financing of their summer trip to Italy. ## Club Committees Make It Happen

When the new Rotary year begins 1 July, thousands of Rotarians begin their involvement with a club committee.

It's through the work of club committees that a Rotary club provides service to its community, retains members, and develops leaders for the club, district, and Rotary International.

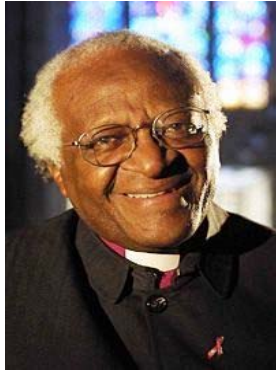

Club committees are charged with carrying out the club's long-range and annual goals. Each Rotary club has different needs and will establish committees to suit them.

Whether you're a new or returning club committee member, there are several resources that you may find helpful on the Rotary International web site [www.rotary.org](http://www.rotary.org). Click on the "Media & News" tab for valuable information.

## Rotary for World Peace

by Dave Moore

The Rotary Foundation has announced that Archbishop Emeritus Desmond Tutu of South Africa will be the keynote speaker at the 2009 Rotary World Peace Symposium on 18 June in Birmingham, England. Tutu, a Nobel Peace Prize recipient, will address Rotarians and Rotary peace programs alumni on the challenges of peace-building.

Rotary's peace symposium, a preconvention event scheduled for 18-19 June, will focus on issues related to migration and refugees, recovery and development, and the role of religion and ethnicity.

The Rotary World Peace Fellowships program is a peace studies initiative that provides the next generation of leaders and diplomats with the skills needed to resolve conflicts and promote peace. Attending alumni are dedicating their careers to preventing and resolving the root causes of conflict, such as poverty, hunger, illiteracy, and environmental degradation.
