### GSE Team returns from Denmark

by Art Harrington

## Check it out!

Our District 5490 Groups Study Exchange Team has returned from their trip to Denmark. Debbie Beebe, from Lake Havasu Rotary, served as the very capable team leader for this group.

For pictures and an account of their exciting experiences, go to the D5490 website ([www.rotary5490.org](http://www.rotary5490.org)) and click on "pictures and stories" under Group Study Exchange Adventures.

### Grants committee meets on Monday

by Art Harrington

## LUNCHEON MEETING ON MONDAY

According to Shirin McGraham, International Service Director, the matching grants selection committee will meet next Monday, October 23, at 12:30 at Perkins Restaurant.

The committee has been charged with the task of narrowing down the number of proposed matching grants projects to a couple that can be voted on by the club.

If you are interested in providing input in this screening process, you are welcome to attend this meeting.

### Dr. Phil Silvers chosen as RI Director

by Art Harrington

## Tucson Rotarian nominated as RI Director

Dr. Phil Silvers, principal of SilverLode Associates, a Tucson research & planning firm, has been nominated to serve as the next Rotary International Director, representing Zones 25 & 26.

Phil is a member of Tucson Sunrise Rotary Club. He is a Past District Governor of D5500, currently serves as the Regional Rotary Foundation Coordinator for Zone 25, and has served as RI Membership Zone Coordinator, Annual Programs Fund Strategic Advisor and on the Community Service Programs Task Force. He is also currently a member of the faculty of the Arizona Rotary Leadership Academy.

He and his wife Kathleen (also a Rotarian) started two highly successful Rotary clubs in Russia, and he chaired the Rotary in Russia Conference in 1999. His and Kathleen's Rotary credits are endless. They have selflessly served in so many ways to help us build strong Rotary clubs and districts in Arizona.

Phil's professional career includes serving as a high school principal, was a federal policy planning specialist in Washington, DC, and service for 25 years in higher education, including positions with both U of A and ASU. He is Vice Chancellor Emeritus of the Pima Community College District.

We can be certain that Dr. Phil Silvers will represent us well as one of the 17 members of Rotary International's Board of Directors. Congratulations, Phil! We are proud of you!

#### One Rotarian's Perspective

by Art Harrington

### Why I am a Rotarian

As I sit here in a small community farther north than many places, I am pretty insignificant. I may have an impact on a few people around me. I can help with community projects, but I can't change the world...but maybe I can.

By joining Rotary, I can rid the world of polio! By being a Rotarian, I can provide clean water to villages with none. By being part of this wonderful organization, I can save lives, feed children, make the blind so see and educate the poorest of the poor. By being a Rotarian, I can leave a legacy of help, caring and love to the entire planet...me, one insignificant person from a small town up north.

**I am a Rotarian to leave the world a better place than I found it.**

### Why are you a Rotarian?

**Remember: photos still needed**

by Art Harrington

### Is this you?

**It could be - if you don't submit your digital photo soon for our club photo director.**

**E-mail your photo today to Art Harrington ([art@harringtonfinancialservices.com](mailto:art@harringtonfinancialservices.com)).**

**Otherwise, there's no telling what monkey business could happen as we assemble the directory.**
