Hadley Carlton, MHS Interact President
by Kari Hoffman

World Interact Week - Nov. 5-11

Meet Hadley, our 2007-08 Interact Club President

Hadley Carlton is an energetic and capable Junior at Mohave High School. She has been a member of the MHS Interact Club since she was a freshman. She also attended RYLA last year.

Hadley is currently employed at Baskin Robbins in Fort Mohave. Her mother moved to Ohio. But since Hadley wanted to stay in Bullhead and graduate with her lifelong friends, she chose to live with her uncle for now.

As Hadley has learned, a good leader leads by personal example. She is a hard worker and is setting the kind of example as a leader that makes both the Interact Club and our Rotary Club very proud of her.

taking a Matching Grant proposal to the conference, looking for an international partner, with whom we can reciprocate by helping that club with a project in its community.

In addition to enabling us to plan new joint projects with our sister clubs in Mexico, these conferences are a great opportunity to make new friends with Rotary leaders in our neighboring country. Those attending can also visit and participate in "hands on" joint Rotary projects already underway in Mexico. Not the least of the privileges is the pleasure of seeing and enjoying beautiful Cuernavaca, "the City of Eternal Spring." (Yes, Rotarians *DO* know how to have fun!)

The Friendship Conference rotates each year between the two countries. Last year we hosted the conference in Phoenix.

November is Rotary Foundation Month

The Rotary Foundation

Doing Good in the World

It is important to make smart decisions about how your assets can be strategically handled to properly benefit loved ones and provide for charitable interests.

Visiting with The Rotary Foundation's Planned Giving Department may give you some ideas about the management and distribution of retirement and other assets, which might allow you to make significant gifts to help promote the mission of The Rotary Foundation while leaving more for your heirs than might have otherwise been possible.

You can increase the impact of your personal legacy by utilizing the best options for making meaningful gifts. The Rotary Foundation staff stands ready to assist you and your advisors.

November is Rotary Foundation Month and for assistance in planning charitable gifts with tax and other financial implications, the services of appropriate advisors should be obtained. Consult an attorney for advice if your plans require revision of a will or other legal document.

Keeping our focus in Rotary

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST

The development of acquaintances as an opportunity for service;

SECOND

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
