What's On Your Badge?

When a new local pastor joined the town's Rotary Club, the board members decided they would have some fun with him. They had his name badge printed showing his classification as "Hog Caller."

Following a great deal of fanfare when the badge was presented, the pastor said, "Usually, I am called the 'Shepherd of the Sheep,' but you know your citizenry better than I do!"

- Commander of the Communication Units
- Public Affairs Officer for the state National Guard headquarters
- Air Chief of Staff to The Adjutant General for the State of Nevada
- The Adjutant General (TAG)

Her awards and decorations include the Distinguished Service Medal, Legion of Merit, Meritorious Service Medal (with 4 Bronze Oak Leaf Clusters), Joint Service Commendation Medal, Air Force Commendation Medal, National Defense Service Medal (with 2 Bronze Service Stars) and the Small Arms Expert Marksmanship Ribbon (with 1 Bronze Service Star) qualifying expert in both the M -9 and the M-16

History

The history of the world can be measured by the amount of data that has been assembled and the importance of that information upon the lives of those who live on this planet.

A recent study determined that from the beginning of recorded history to 1904 a body of information was gathered;

- from 1904 to 1994 it doubled; and it is estimated that from 1994 to 2024 that total will double in size again.
- Therefore, the time between doubling of information (history) will become shorter and shorter.

The more we know, the more there will be to know.

Question About Filling Vacancies Answered

At our February 19 business meeting, a question was asked about the procedure for filling vacancies when an officer or director resigns, or determines they will be unable to serve in an elected position. The best place to go for the answer to this or any other procedural question is our club's governing documents, which are downloadable from our website:

www.londonbridgerotary.com.

The answer to last week's question is found in the Club Bylaws, Article 3, "Election of Directors and Officers"

Section 4 "A vacancy in the board or any office shall be filled by action of the remaining directors."

Section 5 "A vacancy in the position of any officer-elect or director-elect shall be filled by the action of the remaining directors-elect."

Using the club governing documents to find answers is the best way to make sure decisions made are "fair to all concerned."
