## July 10 Highlights

Assistant District Governor, Doug Browning of the Lake Havasu City Rotary Club delivered a new theme banner and a message from Rotary International President, Ron Burton reminding us of the five core values of Rotary:

Service  
Fellowship  
Diversity  
Integrity  
Leadership

President Jerry makes a commitment to present a "Joke of the Week" at each of our meetings this year. He will pay \$20 if the club judges the joke not to be funny enough.

His first joke cost him \$20.

The may prove to be a new revenue source for our Club's operating account.

The members were introduced to our new Club Brochure, which should make it easier to talk about who we are and what we do , /We can use it with potential members, event sponsors, and individuals we invite to our various events. If you didn't get a small supply, pick some up at the greeter's table. Help spread the word.to other about the value our club provides in our community and the world.

### More July 10 Highlights. . .

Mark Reutersdorf, Director of AZSBDC presented a wealth of information on Arizona's largest statewide resource of for small businesses.

This network is the only statewide resource that works with entrepreneurs in all industries and in all stages of development. They provide experience and insight through personal advisors, workshops, seminars and training. As well as online courses.

AZSBDC also offers a range of services, including but not limited to:

- Clean Technology a six-phase program to assist Arizona small businesses with clean technology ventures.
- Veterans Opportunities with our nation's Veterans and Active Military to realize the pride and benefits of successful entrepreneurship through grants from the Small Business Administration and participation with other state networks.
- AZPTAC Procurement Specialists work with small business owners to help them realize the opportunities that exist in the realm of government contracting and procurement.
