How is your club doing with regards to the **2014-15 District 5490 Ethics Initiative?** In late September, leadership members from The Ethics Initiative (www.ethicsinitiative.org) were in Arizona providing a workshop for club leaders on how to embed Ethics into our clubs and our communities. To learn more about how you and your club can insert more Ethics related conversation into your club and your community, please contact our Ethics Committee chair Jim Rumpeltes (Surprise) at rumpeltes@hotmail.com.
