OUR MISSION

Making a difference for Prescott's Kids - and beyond - through meaningful service projects, lasting commitments, and a shared dedication to the values of Rotary International.

OUR VISION: The Rotary Club of Prescott Frontier is a successful and valued member of the community. Focused on contributing to the communities, it serves and maintains itself financially as a membership-sustainable service organization exemplifying Rotary's core value of "Service Above Self".

WHY US?

Prescott Frontier Rotarians serve both our local community and communities around the world. For many, that's the best reason to join Rotary: the opportunity to help others - and to experience the personal fulfillment that comes from making a real difference. It's work that is deeply rewarding.

Rotary also creates meaningful business connections by bringing together leaders from a wide range of professions. Members build trusted relationships, exchange ideas, and strengthen their visibility in the community, often leading to valuable networking opportunities and professional growth.

Rotary is an international service organization whose stated human rights purpose is to bring together business and professional leaders to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world.

PEOPLE of ACTION

*Rotary is where neighbors, friends,
and problem-solvers share ideas,
join leaders, and take action to create
lasting change.*

OUR CAUSES

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever. Solving real problems takes real commitment and vision. Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 46,000+ clubs and 1.4 million members work together to:

Promote Peace

Fight Disease

Provide Clean Water

Save Mothers & Children

Support Education

Grow Local Economies

Protect the Environment
