PRESENTATION: 2023 Bradshaw Mountain Interact RYLA Attendees

Grace Medows, Hugo Garcia, Emma Blackmore and Maddi Garfield, all Interact) members spoke about their life changing experiences, at their international leadership development program event with other youths from many countries. The events at the RYLA leadership program focused on Community Service Projects & their version of the 4-way test. They were openly welcomed, split into different groups & countries, meeting people from all over the world, attended meetings, learned about choosing positive attitudes, learned to accepting cultural differences & diversity, feeling comfortable asking for help, going beyond their comfort zone, such as using ropes for climbing above the ground & jumping down & motivating each other to be successful. Their service project was making blankets & writing cards for hospital patients. They learned about mental health, having good bonding moments & learned to be patient with others. For many their biggest challenge was public speaking & the high ropes activity. For all the RYLA presenters, the worst part of the whole experience was having to say goodbye.

SGT-AT-ARMS:Noel De Sousa collected fines (i.e.missing badge and pin) and Happy Bucks. Some people donated Happy Bucks simply because they were Happy. Noel and Katheryn Tuberty donated happy bucks. Linda Sweeney and Mike Payson donated happy bucks on behalf of the RYLA presenters.

REPORTER'S NOTE: SPECIAL THANKS TO BARD SCHATZMAN FOR FILLING IN DURING MY RECENT ABSENCE!
