**RIGHT SUIT ...**

**ANNOUNCEMENTS:**

- President Donna Jacobs began the meeting by welcoming today's guests. **WELCOME!**
- Donna continued by acknowledging a request from past President Linda Sweeney. Linda shared that she was remiss in not acknowledging a member at the recent induction party. She thanked Sandra Moffitt-Adams for her diligent efforts to recruit meeting speakers.

**KEEP UP THE GREAT WORK!**

- Donna then solicited a volunteer to serve as the Sunshine Committee Chair.

**ONCE A MONTH ... EASY PEASY ...**

- Linda Mast then provided a G4G update. She reported that as of today 173 tickets have been sold, however, that number will increase in the next report. She then reminded members to ask businesses they frequent for gift cards. She emphasized the importance to bring the flyer when making the ask. She closed by challenging everyone to bring at least one donation to the next meeting. As always, club members are invited to attend the planning meeting on the last Wednesday of the month. **WE CAN DO THIS!**

- Rex Townsend & Donna then presented Sandra Moffitt-Adams with her latest Paul Harris Fellowship award. **CONGRATULATIONS TO THIS BUSY & GENEROUS GAL!**

- Rex encouraged members to sign up for Rotary Direct as future donations cannot be made through your dues account. In response to a question, he confirmed that there will be a donation match opportunity later this year. **START SAVING ...**

- Committee reports were then made by the respective chairs. Linda Sweeney, Membership, shared that the club application has been redone. She also mentioned that the old "lunch invitation card" is being redone as it states our former Tuesday meeting day. She then encouraged all to invite a prospective member for lunch to get a taste of our meeting. Rex Townsend, TRF, reiterated that member donations are important to aid our club to meet the annual foundation donation goal. Lisa Doherty, Public Image, share that an upcoming Daily Courier article will feature the four newly elected club presidents. Duane Robinson, Club Administration, asked that members review the revised Service Slate duty sheet. He also asked that the Set Up/Down person charge the Square device during the meeting. He emphasized the importance to not log off prior to turning the device off prior for storage. Wendi Lancy, Service Projects, closed by reminding all that during the month of July members are invited to purchase products for the Teen's Closet. She emphasized the importance to purchase full size bottles of sundries as eligible students can only visit the Teen's Closet twice a month. She continued by asking for a show of hands of members that will be available to participate in the MatForce service project tomorrow or Friday. She shared that she will send out a confirmation email once she hears back from the MatForce representative.

- Steve Sischka then asked "how are we doing with meal participation?" Donna responded, "that last week we exceeded the 20 meal minimum requirement, yet this week we fell short." She reminded members that if we don't meet the lunch minimum, the resort may require the club to pay a room rental fee." **COME HUNGRY ...**
