DRAWING: George Horrigan had the winning ticket but drew the King of Spades, leaving us with a jackpot of \$220.00 and a deck of 40 Cards for this week.

PRESENTATION: Who Am I : Katherine Augustine

Katherine's answer to that question was "the luckiest girl in the world". Katherine is 4th generation from Hawaii and moved here from Kona. She majored in Elementary Education at Lewis & Clark College in Portland, Oregon. When she returned to Hawaii teaching positions were unavailable so she went into Real Estate and the Property Management industry. She met her husband, Joe, 37 years ago and they have been married 32 years. Joe grew up in Globe and wanted to move back to Arizona. She loves living here. She enjoys reading and is an animal lover.

SGT AT ARMS: The meeting was culminated by Earl Moss conducting a fun "Family Feud" Quiz and Happy Bucks added to the weekly fundraising.
