Rotary Club of Sedona launches Village Satellite Club

Aug. 15, 2016—Sedona—Village of Oak Creek residents and businesses can now join a dynamic international organization. The Rotary Club of Sedona is launching a Village Satellite Club for community leaders who are passionate about making a difference in their community and the world.

Meetings are planned for 7:30 a.m. the second and fourth Thursdays of every month. A kick-off breakfast is planned for 7:30 a.m. on Thursday, **September 22** at Red Rock Café.

While the Village Satellite Club is sponsored by the Rotary Club of Sedona and will share in some of its projects, the satellite club will have its own board of directors and its own interests. Startup supporters are already excited about finding ways to interface with Big Park School. To see a sample of Rotary Club of Sedona projects please go to: www.sedonarotary.com
