

It's Amazing What We Can Do Together

In early June, a unique fundraiser came to fruition with the help of the Athens Community. In February, an idea was borne to host a fundraiser for The Rotary Foundation. How about a yard sale? How about a yard sale with no prices? And what better way to get a huge selection than to ask our community's businesses to participate. With Spring cleaning in the air, employees of the businesses listed below cleaned their houses, garages, sheds and barns, and donated items for the sale. Vehicles arrived at 7 a.m. on June 3, where the arena at EMBE Acres on Angel Ridge Road in Athens was full of merchandise. Shoppers browsed, then took their yard sale finds to the Rotarians manning the checkout and named their prices to pay. This community effort made over **\$5500** during the two day event. All proceeds will be contributed to The Rotary Foundation in their effort to eradicate polio worldwide.

Yes, it is amazing what we can do together!
