

# Rotary Uncooked!

To benefit the charities of the Rotary Club of Riverhead, New York

13<sup>th</sup> Annual Event to benefit the many local charities supported by Riverhead Rotary  
Wednesday, May 22<sup>nd</sup> - 6:00pm to 9:00pm  
At  
Martha Clara Vineyards

Dear Friend and Community Member,

I am a proud member of Rotary Club of Riverhead and I invite you to join me in one of our Club's biggest (always sold out!) fundraisers.

A very popular portion of the evening is our Chinese Auction. We are seeking your support with a \$100 donation as a Business Contributor. As some businesses do not have a product or service to donate, this allows those businesses to make a contribution to the event without purchasing a major sponsorship! **Best of all, we will make the purchase of auction items on your behalf and your business will be listed in the brochure and on the basket.**

This year's funds will go towards helping the North Fork Animal Welfare League & The Walk to End Alzheimer's East End Walk. These are both very worthy organizations which help our East End community be a better place. In addition, funds also support many of other local charities which benefit our community throughout the year.

I thank you!

Name

Riverhead Rotarian
