

CAMP

PA-QUA-TUCK

2023-2024 Wish List

There are many ways to help the Camp!

The Camp is flexible and willing to work with your Rotary Club to meet your interests. You might choose to:

1. Purchase materials and provide volunteer labor to complete a project.
2. Provide funding for the Camp to purchase materials while you provide the volunteers.
3. Provide funding for the Camp to complete a project on its own.
4. Partner with another Club to provide materials + labor.

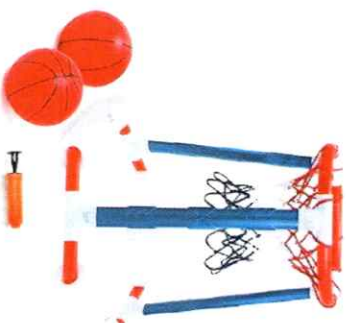

Or any combination that works for you!

Pool Party!

Our campers can't wait for the return of the pool in Summer 2024. Outdoor furniture and pool toys will get the pool party started!

Cost: \$130 per two chairs

Walk and talk with us

The Camp is in need of new walkie-talkies to help staff communicate around the grounds.

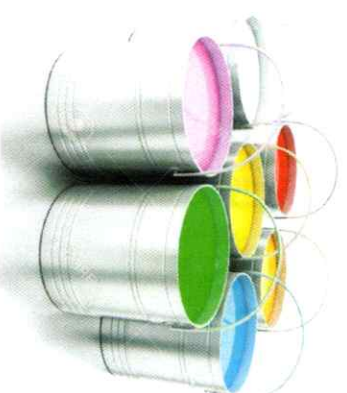

Cost: \$2,190 (10 @ \$219 each)

Rabbitville

Our campers love our petting farm and we would like to bring some extra “hoppiness” to our current hutches and play pen, which are in dire need of some touch ups. We need to sand, paint and restructure our little Rabbitville.

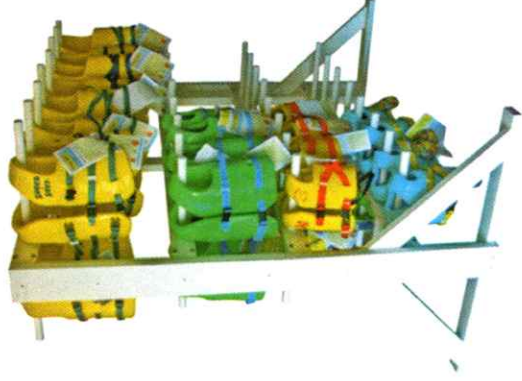

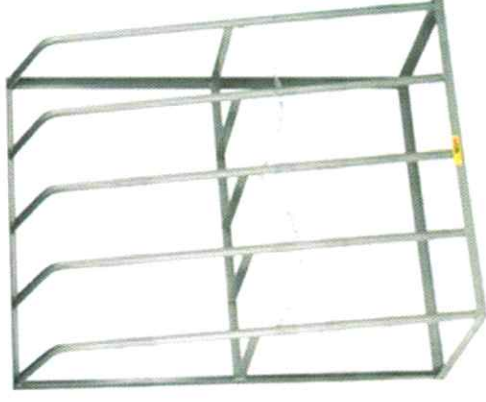

Cost: \$50 per unit (6 units) plus \$400 for one outdoor cage/exercise/petting pen plus labor.

New racks would be a lifesaver!

The Camp needs some help organizing the life jackets, fishing rods/gear, oars and paddles for our program. Nothing brings our campers more joy than a day on the water!

Cost: shed, racks for life jackets and oars, labor - approximately \$2,000

Giddy up!

Our horses and fellow hooved friends need an exercise and riding pen! This will allow our campers to safely mingle with our 4 legged companions.

Cost: corral kit and installation - approximately \$3,000

Get those ducks in a row

Our duck enclosure is in need of a pond filtration system for our flock. Our campers love chatting with our feathered friends and marveling at their softness.

Cost: labor, filtration and drainage system - approximately \$5,000

GOAL!!

The camp's sports shed is in desperate need of shelving and storage solutions. Can you help get our players warmed up for the game?

Cost: rope, shelves, buckets, bungee cords, mesh bags, labor - approximately \$500

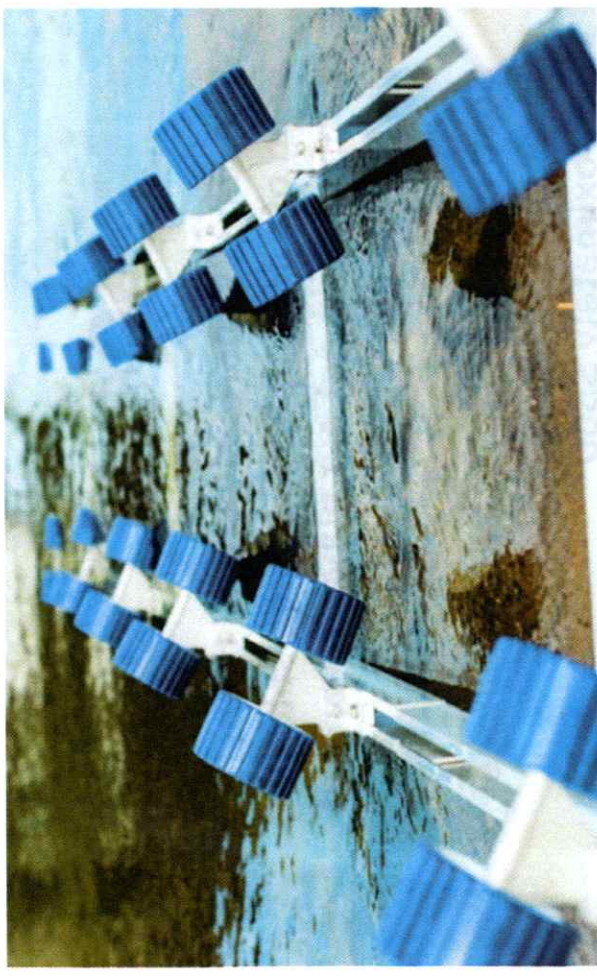

All Aboard!

The Camp is looking for a boat launch system for our canoes, paddle boats, and row boats.

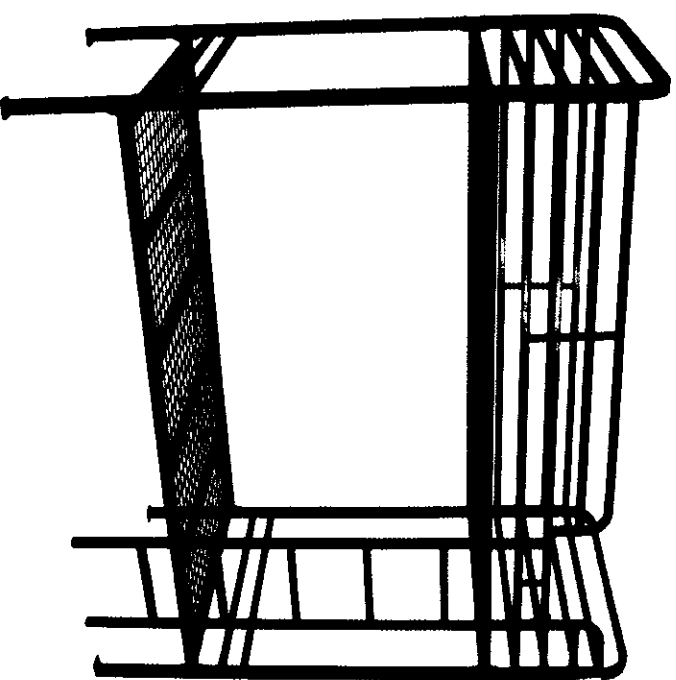

Cost: Researching systems

Bunk Beds and Mattresses

Our bunk beds and mattresses are in critical need of replacement.

Cost: approximately \$50,000 for beds and mattresses

Bug Repellant Systems

Our campers should not be nature's way of feeding mosquitoes! Help us keep our campers safe from ticks and mosquitoes.

Cost: Researching systems, \$500 - \$5,000

Speakers for Large Dining Room

We would love to have a surround sound speaker system for our dining room for events, talent shows, karaoke, DJs, movie nights. and much more.

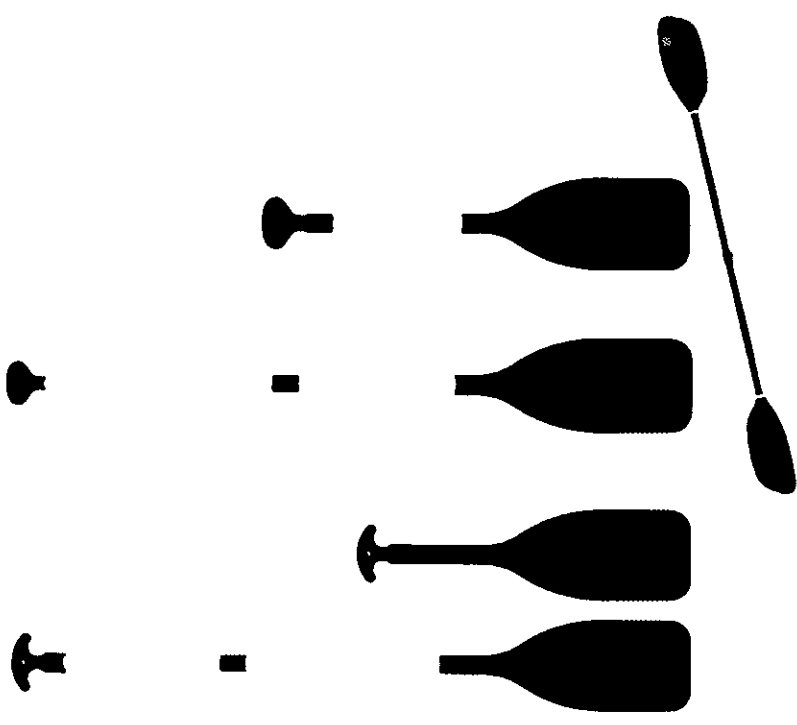

Cost: Researching systems: \$1,000+

Adjustable Paddles

The Camp needs adjustable canoe and kayak paddles for our population. This will truly make our camp accessible and a place where everyone can try all of our activities.

Cost: \$50 - \$100 per paddle

Have you heard about our new Social Nights?

- 6 - 9 pm once a month on Friday evenings
- Special themes and activities each month!
- \$20 for each participant (parent or caretaker is free)

***Social Night sponsors and
food sponsors are needed!***

**Help make
our wishes
come true!**
