Harlem Wizards Fundraising Basketball Game! Friday May 11th at the Westhampton Beach High School Gymnasium, 7PM

Dear Community Leader,

Several years ago, the Westhampton Rotary Club hosted the Harlem Wizards basketball team for a fun night of fundraising on the St. Patrick's Parade weekend. This event was well attended in 2010, by in excess of 1200 people. The Westhampton Rotary is planning again to hold this entertaining event for financial assistance to such organizations as the Hurricane Booster Club, East End Hospice, and other Rotary charities.

On Friday, May 11th from 7:00 PM until approximately 9:30PM we will host our second "Wizards" event. This event will be held at the Westhampton Beach High School Gymnasium.

Please review the attached sponsorship opportunities and feel free to contact me with any questions you may have at 631-537-8567. Please complete and mail the attached form, with sponsorship remittance to the above address and NOTE: Harlem Wizards Committee. All sponsorships must be submitted by April 30th.

In these difficult economic times, the Westhampton Rotary Club has had increased requests for assistance both locally and globally, your continued support is vital to our ability to assist many within the community in need.

With gratitude and sincerity,

Marie McAlary
Chair
Harlem Wizards Committee
