Note: If your name is on this list, it is your responsibility to secure a speaker for that date and make all arrangements. Please let Aimee Martin know that you have done so at least a week in advance so Rev. Jack King can publicize the speaker in the Rotary Bulletin. If possible, get a photo of the speaker and a short blurb about their talk and find out if they need a screen and projector for their talk. If for some reason you can’t secure a speaker, try to switch with another Rotarian listed on this schedule. Any questions, call Aimee Martin. **Rotary Program Chair: Aimee Fitzpatrick Martin, 631.357.0016, amartin@saunders.com**
