Rotary Club of Islip Members are requested to update their email address and information in Club runner . Members were also encouraged to upload photos from the holiday party and any other pictures as well as updating personal information which can be done with instructions below:

- search club runner page
- generic credentials for club runner information (name.lastname.1777)
- default passwords (1777) after initial log-in, password can be changed.
- Teresa spoke about a link which will be used to update the membership list and create a database that is compatible with google and excel spreadsheet

Suggestion by Jeanine was made that members still update their personal information on Clubrunner. Rich will continue to maintain the clubrunner site.

Finally, Astrid spoke to the club briefly regarding profitability with Aqua Towers. Flyers will be emailed and could help to bring revenue to nonprofits and churches.
