**Summary:** Jake shared information with us on Genesee Valley Rotary Camp. It is a one-week Camp for young people aged 8 to 21 with various disabilities. GVRC is a non-profit organization that became incorporated in 1963. To support them on their next fundraiser please visit this link: <http://evite.me/9m9aNsX7YR> for full details. The camp costs about 50K a year. The Rotary Club covers about 25K and the camp team needs to cover the other 25K. So please donate if you can, it's for a good cause.
