Meeting Minutes of June 18, 2018

Attendance: Ed, Joan, Marlene, Hank, Paul, Wayne, Millie, Arlene, Karen, Judy.

Guests: Shawn and Clara Wisner

Ed presented a Paul Harris to Erv in honor of Judy.

Group discussion topic: Your rain story.

End Polio Now Donations – give to Millie ASAP so she can send in the donation before the end of June.

Marty Johnson – prospective member has said no to joining but has offered to help with volunteer labor for projects.

Fish Pond – Joan reported that the fish like the new food. Erv will call the fish hatchery about getting another 30 pounds for this summer. Ed and Joan will share the feeding of fish and watering the flowers.

WORK PROJECT – our service project this month will be to finish the grouting on the bench and wall at the fish pond. Those available, meet at the pond at 5:00 PM on Monday, June 25th, weather permitting. No Dinner so eat before.

America's Food Heritage Dinner on July 29th: Joan contacted the school about using their stage for the band. It must be picked up by July 26th and returned on July 30th. Millie will pick up the paperwork from the school that is needed to use the staging and she will confirm our reservation for the community center. Getting the Little Boulder River Band is looking good – they are interested in performing for us.

Ed is working on contacting people and groups to have a food booth. We have 4 confirmed at this time.

We will limit the number of auction items to 15. So far, we have at least 10 new or like new items representing Mexico (wood carving), Poland (crystal jar), Slovakia (crystal pitcher), Africa (bag), England china), and China (painting on silk).

Suggestion was made to have our wheel at Frontier Days so that when people buy a calendar or purchase a ticket for the dinner, they get a free spin for a chance to win a dinner ticket.

(Side Note: we will need every available member (and family/friend) to participate at Frontier Days and the dinner to pull this off.)

Meeting Schedule: Be sure to check the club website (www.rotaryclubofwhitehall.org) for the most current list of club meeting dates and food/program chairs. We have added a meeting on July 16th to help do planning for Frontier Days, the Heritage Dinner, and our August picnic. The July schedule is modified with meetings being on the second, third, and fourth Mondays. We return to the first and third Mondays in August with our extra meeting on the 13th.

Ed passed the gavel to Wayne. Our next meeting will be Wayne's first on July 9th.

Wheel Spin - house won the pot.
