

Whitehall Rotary Club Meeting

October 8, 2018

Attendance: Wayne, Hank, Vic, Karen, Joan, Arlene, Millie, Jeannie, Judy

Wayne passed around a thank you from the Butte Rescue Mission for the \$300 donation made by the club.

Harvest Dance:

Food – Wayne will do a potato salad. Arlene will make a vegetarian soup. We still need a dessert item. Ed will do the brisket. Either Wayne or Arlene will pick it up at Ed's on the afternoon of the dance.

Hay Bales – Smith Supply will let us borrow up to 30 bales of straw. We need a way to get them to the Community Center. Wayne will check with Toni and Full Circle about the possibility of getting a U-Haul to bring in the bales and pick up the stage from the school. (We need to confirm when the stage needs to be picked up). Arlene will contact Holly Harper about getting help from some of the Interact boys to help load/unload the bales.

Silent Auction – we will do only the silent auction – no 50/50 this time. Karen and Arlene will gather the items and provide the bid sheets.

Sign up for job tasks: Arlene will set up the sign-up sheet for the dance on the club website and email it out to everyone. (Sign up ASAP so we know how many Interact members to recruit)

Service Project:

Our service project for the month is cleaning up the Community Center. Due to their schedule, the clean up has been moved from the 15th to the 22nd. NO MEETING ON THE 15TH. Meet at the CC at 6:15 PM on the 22nd. Dinner on your own. Bring tools to help pull staples, nails; gloves and eye protection. Rubber gloves if cleaning the bathrooms.

Dictionaries:

The dictionaries are ready for delivery. Wayne will set up the days/times for Cardwell, Harrison, and Whitehall. There will be 44 dictionaries just for Whitehall. Karen will help with Cardwell/Harrison. Wayne will see if Erv can help with Whitehall.

Fish Pond:

Wayne will see about getting the canvas top off this week, weather permitting and there is enough help available.

Calendars: Be sure to get your calendars delivered ASAP. Turn in your completed list and money to Judy.

Program: Jeannie provided a very interesting program on all the benefits provided by our local library. The various programs bring in a surprising number of people each month from town and surrounding communities.

Jeannie spun the wheel and the house won the pot.
