Ed: Report on the Board Meeting

Twin Bridges Picnic is on the 29th at 6 PM, Twin Bridges fair ground.

Our Club BBQ is on August 15th at the Caverns pavilion and district governor will be there.

Shelter Box – it was motioned by Millie, Dustin seconded and all approved to complete the amount needed to buy a third box.

Program by John Anglin. He is a volunteer with the federal Americor program and his focus is in the environment/conservation field. Came to the area in April and will end his term on August 15th. He is from New York and his father is a Rotarian. He has been working on two programs this summer. The first is a Junior Ranger Campout for kids 12 to 14 which will take place on July 23-24 at the cavern campground. Kids will learn about nature and safety when camping. The second program is to build an ADA compliant trail near the campground. He is looking for support to help with these programs which includes finding kids for the program, supplying the campout food, and also financial.

John spun the wheel and Hank won the pot.
