

Minutes, November 5, 2018

Attendance: Wayne, Arlene, Ed, Paul, Marlene, Erv, Karen, Judy, Jeannie, Vic, Hank, Joan

Harvest Dance – attendance was way down from last year; but, income was not too bad, thanks to the silent auction.

Ticket Sales of \$468; Silent Auction income of \$444 for a total of \$912.

Expenses: Dance lessons for the high school, \$100

Band \$200 (Mountain View Real Estate will put in an additional \$100)

Cookies, Rolls, Plates \$93.04

Ed donated the meat and Wayne donated the potato salad.

Net Income as of this date is \$518.96

Thoughts discussed about the dance:

tables should not be taken down until the band is done.

Maybe we should run from 4:30 to 6:30 PM since few people stay after 6:30. The music could play for the full two hours and then we would tear down.

Is our date in late October the best time (there were a number of Halloween parties on Saturday evening that might have impacted our event).

Perhaps advertise as a kids costume/dance event.

Add a Melodrama Play with key town people as the actors and then have the dance afterward.

Interact – Ed attended the Interact meeting on Monday and thanked them for helping at the dinner.

Interact Dinner on November 12th – Ed has frozen brisket left over from the picnic and could serve BBQ sandwiches. Karen and Joan will do coleslaw. Jeannie will do a fruit salad. We have cookies, rolls, pop and water left over from the Harvest dinner. Wayne can bring potato salad. Our RYLA students have been asked to speak and Ed may show pictures from Iceland for the program.

Food Bank – we have \$500 in the budget to donate to the local Food Bank. This should be matched by the Town Pump as long as we send in the donation right away. Marlene will get a check sent in.

Calendars- Judy reminded everyone to complete their deliveries. All should be done before Thanksgiving. Several members are already done or are within two calendars of being done.

Correspondence:

Butte Rescue Mission letter asking for donations. We have already given our budgeted \$300.

Shelter Box purchase – tabled by the club for now. Perhaps next year.

Christmas Stroll is December 8th from 10 AM to 5 PM. A booth application was received. We need at least 6 people to staff the booth. Wayne will send out an email to see if we have enough volunteers. Several members said they will not be here or will be busy with other things on that day.

Basketball Ticket Sales – Ed will check with Mr. Lacy to see if the school wants us to do the home basketball ticket sales again this year. (Ed will be attending the Interact meeting on Nov. 7).

Christmas Dinner – Joan handed out invitations for the Christmas Party on December 17th. Payment and reservation are needed by December 3rd meeting. Cost is \$25.00 per person for everything.

Program: Jeannie filled in for her program. Topic was an update Love, Inc.

Wheel – Paul spun and Karen won the pot.
