PEOPLE OF ACTION

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our club offers opportunities for our members, and those interested in making a difference, to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans and respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships, business, and professional connections.

Rotary Four-Way Test
of all the things we think, say or do...

- 1) Is it the TRUTH?
- 2) is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?
