

What is a Rotarian

- a Rotarian is a person who digs wells from which he will never drink...
- vaccinates children she will never meet...
- restores eyesight for those he will never see...
- builds housing she will never live in...
- educates children he will never know...
- plants shade trees under which she will never sit...
- feeds hungry people regardless of color, race or politics...
- makes crawlers into walkers halfway around the world...
- and who knows real happiness can only be found by serving others!
