Dave Pillatzke
Western States Insurance
1300 Cedar
Helena, MT 59601

Dear Dave,

Thank you for your interest in volunteering for Habitat for Humanity to help us build decent and affordable housing for Helena families. We look forward to having you and your co-workers volunteer on Friday, April 20 from 8:30 to 4:30. The construction site is at the intersection of Billings and Oregon Streets. We provide all tools and safety gear for the volunteer crew. Please have your crew dress appropriately for the weather and bring a lunch or you may leave the job site for lunch from 12-1.

I have enclosed brochures, an informational flyer, a recruitment flyer, a sign-up sheet, volunteer applications and waiver forms. Please have your volunteers fill out the forms and bring them to the construction site.

I look forward to working with you and your co-workers on Friday, April 20. If you have any further questions please call me at 422-2929. Once again, thank you!

Sincerely,

Deb Williams
Volunteer Program Coordinator
