The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service.

Declaration of Rotarians in Business & Professions

The Declaration of Rotarians in Business and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the "Object of Rotary":

- As a Rotarian engaged in a business or profession, I am expected to:
- Consider my vocation to be another opportunity to serve;
 - Be faithful to the letter and to the spirit of ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
 - Do all in my power to dignify my vocation and to promote the highest of ethical standards in my chosen vocation;
 - Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
 - Recognize the honor and respect due to all occupations which are useful to society;
 - Offer my vocational talents to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
 - Adhere to honesty in my advertising and in all representations to the public concerning my business or

profession;

- Neither seek from, nor grant to, a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

The 4-Way Test

From the earliest days of the organization, Rotarians were concerned with promoting the high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is the **4-Way Test**, adopted by Rotary in 1943. The **4-Way Test** asks the following four questions:

Of the things we think, say or do

1. Is it the **Truth**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
