Rotary

# DIG ROTARY

Dear Friends,

The Kalispell Rotary Noon and Daybreak Clubs are excited to announce our 5th Dig Rotary Day - a fun-filled event the whole community will "dig." It's happening **Saturday, May 22nd from 10 a.m. to 2 p.m. at Whitefish Stage and Tronstad Rd. in Kalispell.**

Participants will have the thrill of operating heavy construction equipment such as excavators, graders, and bulldozers. Other heavy equipment will also be on site for exploration along with kid-friendly activities related to construction. Dig Rotary Day is dedicated to providing safe, fun, engaging challenges for children of all ages.

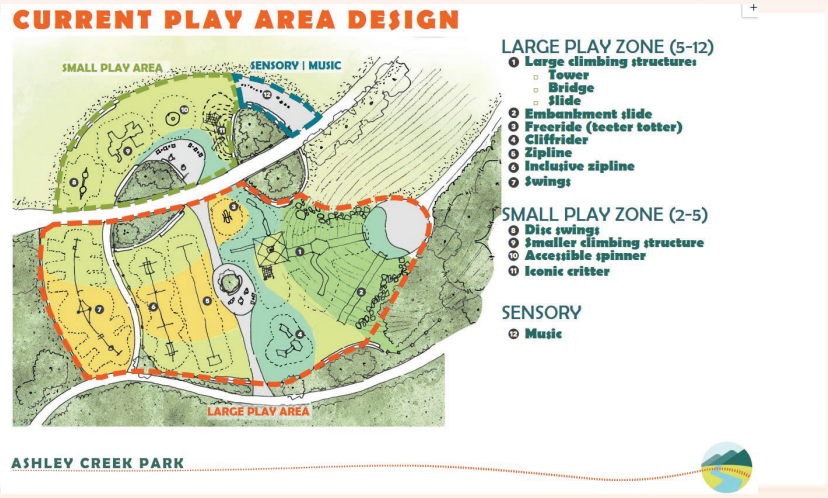

Delicious foods will be available for purchase from local vendors.

The Flathead Valley business community has always provided generous support for local events and causes. Rotary's mission is Service Above Self. We make a difference **together** through our charitable donations and volunteer service.

Kalispell Rotary Clubs would be honored to have your support as a Dig Rotary Day Sponsor. Your generosity will have double benefits, as **all event proceeds will go towards community youth recreation projects** like the Miracle Field, and the accessible playground at the new Ashley Creek Park in Kalispell.

A description of Sponsorship Benefits is enclosed. We hope you will choose the Sponsor level that best suits you.

Thank you for considering a Dig Rotary Day sponsorship. Let's Dig Deep to Raise a Community!
