

SANTA PAULA ROTARY SCHOLARSHIP APPLICATION

Each year the Santa Paula Rotary Club provides a number of deserving Santa Paula Union High School graduating seniors with scholarships for continuing education and training. Normally the scholarships range in value from \$1,000.00 to \$3,000.00. These awards are available to pursue careers in a vocation, music or academic study. Scholarships will be given to selected students for their continued education.

If you would like to be considered for a scholarship, please complete the attached application. Please note that the student and parent/guardian must sign the release form to allow the committee to use your transcripts. The completed application must include a letter to the Santa Paula Rotary Scholarship Committee describing in detail the applicant's vocational, music or academic plans that will prepare him or her for success. The letter should be detailed. Specific instructions for the letter are attached. The letter is a key factor in the selection process; therefore, it is important that the letter provide complete, accurate, and thorough information. The committee will make assessments of the applicant's ability to succeed based upon the information available. A copy of your transcripts must be a part of the application.

The completed application package must include a letter to the committee, completed release form, and a copy of transcripts (to be provided by Santa Paula Union High School). The package must be returned to Ms. Chavez at the **Santa Paula Union High School Career Center in person or via email vchavez@santapaulausd.org on or before Friday, April 8th, 2022, at 4:00 PM. Applications will not be accepted after the deadline. There will be no exceptions.**

The Rotary Selection Committee will interview applicants who are selected as finalists. Santa Paula Union High School will notify the finalists of the date, time, and location of the interview. Interviews are normally conducted within 30 days after the deadline for turning in completed applications to the High School Career Center.
