Pledges

The needs in our Santa Paula community are great – and as its leaders, it's up to us to step forward and make a difference. Your support through financial contributions helps fuel the work we do, both locally and globally.

We ask each member to indicate the level of giving they are prepared to contribute for the 2026–2027 Rotary year in connection with recognitions. This allows the Board to plan ahead while ensuring no undue financial pressure is placed on individual members.

At the time of your recognition, you will have the opportunity to designate which fund – Benefit, Scholarship, or the Rotary International Foundation – you would like your contribution to support. If no preference is indicated, the President will allocate your contribution where it is most needed. This year, the club is requesting that every member pledge a minimum of \$50 each to the Benefit Fund, Scholarship Fund, and the Rotary International Foundation

While the suggested pledge is \$100 to each fund, we encourage every member to contribute as generously as they are able. Your support changes lives—thousands of them—right here in Santa Paula and around the world. Together, we lead by example. Together, we make an impact. Together, we UNITE!
