Pledges

The needs in our community are great, and as its leaders it is important that we step up to support it. Please indicate the level of giving (recognitions) you are prepared to contribute during the 2017-18 Rotary year in connection with recognitions. This can be accomplished without imposing a financial hardship on members if the president knows in advance the level of giving the member prefers. At the time of the recognition, you can designate which fund will be the beneficiary of your contribution. If no fund is indicated, the fund will be at the president's discretion.

This year, the club is requesting every member to pledge a minimum of \$50 to the Benefit and Scholarship funds, and to the Rotary International Foundation. The suggested pledge is \$100 to each, but members are encouraged to pledge as much as much as they are able. We make a difference for thousands of Santa Paulans.

YOUR PLEDGE 2017-18: BENEFIT FUND:\$_____ SCHOLARSHIP: \$_____ FOUNDATION: \$_____

I would like to have my pledges billed equally over 11 months.

I will will not contribute additional funds as recognized by the President.

How many new members will you sponsor this year? _____ (Suggested number is one new member per member.)
