Kingston Flower Baskets 2023

Over the years Kingston residents and visitors have enjoyed the beautiful flower baskets which hang from our Kingston light poles during the summer season. The purchase, hanging and watering of the baskets are accomplished through the fundraising and efforts of the KNK Rotary, Community Beautification Committee, and our volunteers.

Funding for the flower baskets and their metal frames is primarily from the generous financial support of basket sponsors. Basket sponsorship is still available for an initial fee of \$100. For those who have previously sponsored a basket, this year we are asking for \$40 per basket as a maintenance fee.

If you would like to support the basket program, please mail checks payable to: KNK Rotary Foundation. Please note "*Flower Baskets*" on the memo line. You may also pay by credit card, (this will incur a credit card fee), at the Village Green Community Center, 26159 Dulay Road NE, Kingston.

Thank you,

Kris Libby and Gail Halsaver
Kingston Community Beautification Committee
