

Fremont Rotary Club

World Community Service Projects

2009-2010

1. Jos, Nigeria
2. Honduras
3. Haitian orphanage

Nigerian Borehole (well) in Jos

- Total project cost of \$16,170
- Fremont Rotary Club joined by White Cloud Rotary, Kentwood Rotary and Holland AM Rotary to raise \$3,330
- Matches from District, Thirsting to Serve and The Rotary Foundation made up the rest.

Jos Hospital and original well which ran dry during the dry season

Dedication ceremony and new water tank

Honduras Truck for Water Projects

- \$250 donation towards District project to provide multiple water projects in Honduras.

Truck is used to transport equipment where needed.

Food for Haitian orphanage

- Along with multiple other clubs from the District, funds were raised to provide food for an orphanage in Les Cayes, Haiti which took in an additional 1000 children after the earthquake.
- \$1,000 was provided and matched with District funds of \$1,000 to provide food to the orphanage

Food for Haitian orphanage

- International Food Resource Program lentil soup mix prepared and transported in coolers to distribution site at orphanage.

2010-2011

1. Haitian orphanage clinic
2. St Damien's Children's Hosp
3. Sierra Leone water filters
4. Alto Cayma, Peru

Portable X-ray for Hope Village clinic in Haiti

- \$500 donated with additional \$500 match from District
- Rotary Club in Maine spearheading effort to raise needed funds – totaling \$40,000
- Orphanage had a donor that would match up to \$20,000 of funds raised
- Xray machine transported to country and pending installation.

Hope Village Clinic

< Old clinic

New clinic under construction >
When complete, Xray machine will
be moved in, projected summer of
2012

St Damien's Children's Hospital, Haiti

- \$500 sent along with \$500 District match to help purchase supplies for cholera outbreak

Sierra Leone water filters

- \$500 provided to Coolwater to help purchase water filters for a region in Sierra Leone.
- Filters were delivered with the help of the US Navy to the area and distributed by an in-country group.

School supplies for Alto Cayma, Peru

- \$500 provided to purchase school supplies
- Collaboration with District 7680 in North Carolina
- Cost per child is \$15 and per classroom is \$500

2011-2012

1. Marco, Peru institute
2. Haiti water filter
3. Ngbo, Nigeria wells
4. Food Resource Bank

Marco Peru Institute

- Club provided \$550 with \$500 from private donation + \$1000 District match to support purchase of sewing machines, table and commercial mixer for culinary program

Haiti Water Filters

- Project from sales of salad dressing
- Partnered with Hart Rotary Club
- Raised \$1600 + \$1600 district match

Ngbo, Nigeria hand pump wells

- Raising funds to drill 10 wells in Ngbo
- Total cost of \$49,900
- Must raise \$11,070 locally
- Plus matches from District, Thirsting to Serve, and Rotary International
- Collaborating with White Cloud Rotary

Ngbo, Nigeria

- 10 wells will be drilled at strategic locations around the village with each expected to serve 250-300 people.
- All wells will be hand-pump wells.

Food Resource Bank

- Fremont Rotary has provided funding to this group 3 times over the past few years.
- Group coordinates planting of crops by local farmers to raise funds for projects overseas.
- Crops are sold and funds are used to help advance crop production in other countries.
- Food Resource Bank is currently working on a project in India.

Food Resource Bank

- Current project is in India, assisting farmers in a mountainous tribal area of Northeast India to improve terrain farming to boost productivity and provide food security in the region.

Future Matching Grant Rules

- District Simplified grants – basically the same as before
 - Small grants for local projects
 - Generally less than \$1000
- Global Grants
 - Must be sustainable and have high-impact outcomes in one of six focus areas
 - Peace and conflict resolution
 - Disease prevention and treatment
 - Water and sanitation
 - Maternal and child health
 - Basic education and literacy
 - Economic and community development

Future Matching Grant Rules

- Packaged Global Grants
 - Rotary International World Fund develops projects with strategic partners
 - World Fund and strategic partners provide total funding for project
 - Rotarians implement the project
 - Polio program would be an example

Future Matching Grant Rules

- Begins in 2013-2014 year
 - Global grants may be club or district-developed
 - Must have alignment with areas of focus
 - Minimum size of project is \$30,000 with \$15,000 coming from the club and/or district
 - Clubs must be “qualified” by district to participate
 - Application will become a 2-step process
 - Districts must provide plans for coming year to Rotary Foundation prior to beginning of fiscal year
 - Concept will be submitted 6 mo before a full proposal is sent
 - Must include community needs assessment and sustainability plan

Rotary Foundation Matching Grants

- Funds contributed to the Rotary Foundation jar at our meetings help to make this happen
- Funds collected each week are sent to the Rotary Foundation
- These funds are then redistributed to the World Fund and to the Districts for use for District Simplified Grants or Global Grants (currently District Designated Fund grants)
- Without these contributions, our club would not be able to participate in the matching grants program
