**Meetings: Wednesday 12:00PM Buccilli's Pizza
(In Person and available on Zoom)**

Hello,

My name is (insert name here) and I am a representative of the Houghton Lake Rotary Club. Currently we are preparing for our 22nd Annual Spring Service Auction, which is being held at the Four Seasons Event Barn, April 30th, 2022. We are asking people, businesses and organizations for donations towards this event. The Auction is our largest fundraiser of the year and generates a great deal of financial resources, which are donated back into the local community in the form of grants and service projects, as well as Rotary Internationals ongoing global projects. If you are interested in seeing whom we donate to every year a full list can be found at www.hlrotary.org. We are asking for any form of item, gift certificate or financial donation you are willing to give.

If you are able to donate to towards our event, please contact me and I can come pick up your donation. My Contact information is listed below. Donations need to be received by April 15th, 2022.

On a side note, if you or anyone in your organization is interesting in joining Rotary please feel free to contact me. We are always looking for new members to join our ranks, and help serve our community.

Thank you for your time,

Name and Contact information

P.S. – If you would like to attend our great event, give me a ring! Tickets are \$60.
