

# Houghton Lake Rotary Club

PO Box 323

Houghton Lake, MI 48629

A Rotary club is a group of local professionals and community leaders who are a part of Rotary International, a community service organization founded in Chicago in 1905. Members of a Rotary club are called Rotarians. There are over 1.2 million Rotarians around the world

The purpose of a local Rotary club is to connect people who then work together to help solve community problems, provide humanitarian aid, and promote goodwill and peace.

Through the generous donations of people and business like you the HL Rotary Club has been able to give approximately \$40,000 in the last three years to this community through the grant program. The Roscommon County organizations the club has supported are listed below.

In addition to the Grant Program. We support Houghton Lake High School seniors with our Scholarship Program. We give \$4,250 each year to graduating seniors. We have also established a Scholarship Fund through the Roscommon County Community Foundation to remember our Rotary Members who have passed.

The Houghton Lake Rotary Auction being held on April 28, 2018 is our biggest fundraiser. We wish to thank you for your continued support to once again make this year's event a success.
