Traverse City, MI 49685

Dear Donor:

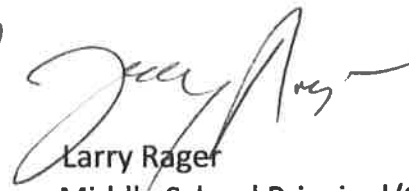

Thank you for your donation of \$1,000 for our arts programs. Your contribution is an investment in education and will provide enriching artistic opportunities for area students. For 2017/2018 we are focusing on "Sound and Science", partnering with two outstanding professional organizations. Master classes with members of the Traverse Symphony Orchestra will begin soon and will continue for the rest of the school year. Earth Science, Choir, Art, and English students will be working with theater company, A Host of People, on science related components for the December and May concerts.

We truly appreciate your support of the arts and are pleased to recognize your gift as a Platinum Level donor in our event programs for the 2017/2018 school year. In addition we will include your sponsorship in all future press releases throughout the year related to the project.

Sincerely,

Jessica Tippett  
Director of Bands and Choir

Larry Rager  
Middle School Principal/Grant Director

Thank you for your support of Mancelona Public Schools Tax ID #38-6000409
